

FINAL REPORT

Of the Grand Jury—Indictment of Wm. Hane for Forgery.

The Grand Jury made its final report late yesterday evening. The report states that the different parochial offices are in good order and all public funds have been properly accounted for.

A true bill was reported against Wm. Hane. Hane is charged with having had the name of Amuny Bros. forged to an order for goods on the firm of B. Flashpoller & Sons, of New Orleans.

The Grand Jury has done good work. Owing to the large number of frivolous cases it remained in session nearly a whole week, but as it was composed of level-headed men these trifles were thrown out with little ceremony.

International stock food will increase the quantity and quality of your cows' milk. Sold and guaranteed at Moss Pharmacy.

The beef trust has for years past been engaged in forcing down the price of beef cattle and thus driving thousands of raisers out of the business. Yet after the number of head has fallen off nearly 10,000,000, heavier consumption and lighter production is seized upon as a pretext for advancing prices. In short, after having created scarcity by robbing the producer, the trust shows intolerable brazenness in urging that scarcity as an excuse for more rapacious plundering of the consumer.—Daily States.
