

**In Memoriam.**  
At the regular meeting of the Home Charity Association of Lafayette, held Aug. 14, the social program for the day was omitted as a mark of respect to the memory of Miss Mattie G. Torian, and the following memorial was ordered spread on the minutes of the association and a copy sent to the family of the deceased member; and it was further directed that a copy of the memorial be furnished the local newspapers for publication.

The Home Charity Association records with sorrow the loss of one of its cherished members, Miss Mattie G. Torian, whose earthly life came to a peaceful close on the second day of this month.

Prompted by true Christian instincts she connected herself with this association to do what she believed would be pleasing in the sight of the Saviour whose whole life whilst on earth was devoted to doing good works through acts of love, humility and charity.

In the death of this member of our Association another link in friendship's golden chain is severed and again we are forcibly reminded that all who are born must die and, in order that all might be well at last, we should emulate the ardent and devoted Christian character of the departed one.

Whilst we sorrow for the dead, we recognize the need of our compassion for the living. Death has no terror for the Christian's soul, but darkness and desolation encompass the loved ones left behind. We tender to the father and mother and relatives our heartfelt sympathies in their great bereavement, and pray that they may receive that consolation and comfort which can only come from Him who chastens those He loves. May God in His infinite goodness and tenderness of love, pour balm upon their wounded and bleeding hearts, and sustain them in the deep affliction He has permitted to come into their lives.

**Land And Immigration.**  
The Sunset-Central lines are making an earnest effort in behalf of immigration into Texas, and in order to thoroughly distribute matter advertising the State, the citizens of Texas are requested to forward to the Sunset-Central Route, Houston Texas, a list of relatives or friends living in the old country or in any other State who may desire information regarding Texas. To the addresses furnished literature will be forwarded thoroughly exploiting the agricultural and industrial features of Texas. The names of farmers, fruit-growers, tobacco raisers, dairymen and health seekers are particularly desired.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyspepsia used to starve themselves. **Statement by Mr. Alex Mouton.**  
Relative to the action of the City Council ordering that expropriation proceedings be instituted to secure right of way through his property near the Industrial School Mr. Alex Mouton made the following statement:

"I am reliably informed that Mrs. Wm. Campbell is paid \$150 for her property. For ten times that amount of property I am offered \$300 and because I refused to accept the offer, which is about 20 per cent of the amount given Mrs. Campbell, the Council has ordered proceedings of expropriation. I make this statement for publication because it is currently reported that these expropriation proceedings have been brought on by my action in the matter."

**Question Answered.**  
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandm other never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration of Heart failure, etc They used August Flower to clean out the system and stop fermentation of indigestion food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by the Lafayette Drug Co.

**Another Fine Volume.**  
Standard books are ever welcome when they come to us in forms and bindings representing all the embellishments of the art of book-making. Such a book is the Life and Achievements of Admiral Dewey published by The Dominion Company, Chicago, a copy of which has just come to our desk. The contents are fine, the print is clear and neat and the binding is superb. The Dominion Company is forging ahead as the leading western publishing house making a special of fine subscription books. Having salespeople in nearly every nook of the country, the company enjoys a large and growing trade. As this company has a known reputation for liberality towards its agents and fair treatment of them, an agency in this community for the above books, or some other published by this company, would be a source of considerable profit to the one fortunate enough to secure it. Interested readers should write the company for full particulars.

We can write you a policy of insurance on your "cotton" in one minute's notice, for one, or as many days as is desired, regardless as to where it is located. S. R. PARKERSON, Agent; Felix Mouton, Solicitor
