

A Chance To Sell Texas Lands
The Sunset-Central Lines, in pushing the agricultural and farming interests of the State to the fore, have inaugurated several innovations in order to reach the desired end. Realizing that it would be useless to bring settlers into the State unless lands could be secured at reasonable figures, the Immigration Department of the Sunset-Central Lines, under Immigration Agent John Howard, has issued a circular calling upon all persons having land for sale to forward to headquarters at Houston a list of the lands with description of location and improvements. The circular, which is signed by Passenger Traffic Manager S. F. B. Morse, and Immigration Agent John Howard, sets forth that lands without perfect title are not wanted; also that commissions are not received on sale of lands; and it furthermore suggests that prices quoted be adhered to for a reasonable length of time. The object of this move of the Sunset-Central Lines is to bring land sellers in touch with people desiring to locate in Texas, and is but another lever which will work to the upbuilding of this great State.

It is urgently desired that all persons having land for sale communicate at once with Immigration Agent John Howard, at Houston, Texas.

If you want to know how to obtain a home on very easy terms of payment you should apply for full information to either Mr. D. Schwartz, secretary, or Mr. S. R. Parkerson, treasurer, of the Lafayette Building Association. Through the agency of this local building association it is possible for you to own your own home by making small weekly or monthly payments.

Question Answered.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmother never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration of Heart failure, etc. They used August Flower to clean out the system and stop fermentation of indigestion food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by the Lafayette Drug Co.

Died.
A telegram from San Antonio, dated Aug. 27, announces the death of Mr. W. O. Pipes, at one time connected with the Gueydan News, but at the time of his death, editor of the Shreveport Progress.

Why Is It?
It is unreasonable to suppose that it has come purely as the result of accident—this continual growth of trade at the Moss Pharmacy! It must mean something. People are not in the habit of patronizing a store twelve months in each year just for the fun of it. No, there must be a reason for it, and the most reasonable reason is to be found in the two words, "honorable dealing." It has always been our policy to live up to what we say. We are never satisfied unless our customers are satisfied. We give particular attention to the filling of physicians' prescriptions, and have the best facilities for doing prescription work promptly and reliably.
MOSS PHARMACY,
F. E. Davis, Manager.

Dr. Armand Mary, who it will be remembered, lived in Lafayette several years ago, but now residing in New Orleans, got in a difficulty with Dr. Sarrazin and seriously wounded that gentleman. The trouble arose out of Dr. Mary's opposition to the new dental bill enacted by the Legislature lately assembled. The wounded man is out of immediate danger, and the accused is under bonds.

Now's Your Chance, Ladies.
Alex. DeLahoussaye wishes to dispose of some very fine summer dress goods such as organdies, lawns, etc. He wants to sell them at once to make room for his winter stock and is willing to let them go at very low prices. Call and examine the goods and get the prices.
For fine canning pears at 35 cents a bushel, write to James Maund, Jennings, La.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyspepsia used to starve themselves. Now Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. It radically cures stomach troubles. For sale by Lafayette Drug Co.

Land And Immigration.
The Sunset-Central lines are making an earnest effort in behalf of immigration into Texas, and in order to thoroughly distribute matter advertising the State, the citizens of Texas are requested to forward to the Sunset-Central Route, Houston Texas, a list of relatives or friends living in the old country or in any other State who may desire information regarding Texas. To the addresses furnished literature will be forwarded thoroughly exploiting the agricultural and industrial features of Texas. The names of farmers, fruit-growers, tobacco raisers, dairymen and health seekers are particularly desired.

We can write you a policy of insurance on your "cotton" in one minute's notice, for one, or as many days as is desired, regardless as to where it is located. S. R. Parkerson, Agent; Felix Mouton, Solicitor.

Does It Pay To Buy Cheap?
A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's Germat Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by Lafayette Drug Co.
