

**Modest—Her Father—And I**  
 I don't expect to consent to let you have my daughter that I will set you up in business and make you rich?  
**Mr. Sappleg—No.** I really haven't any such extravagant expectations as that. I'm willing to take her just for my board and clothes.—**Spare Moments.**

Feelings of safety pervade the household that uses One Minute Cough Cure, the only harmless remedy that produces immediate results. It is infallible for coughs, colds, croup and all throat and lung troubles. It will prevent consumption. For sale by Lafayette Drug Co.

**Merchant—Look here!** That safe you sold me last month you said was a burglar-proof safe.

**Safe Manufacturer—Well?**  
**Merchant—Well,** I found it cracked this morning and rifled of its contents.

**Safe Manufacturer—What more do you want?** Isn't that proof that burglars had been at it?—**Catholic Standard.**

**Does It Pay To Buy Cheap?**

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by Lafayette Drug Co.

"Well," said the old man, "Dick's a lawyer, Bill's a politician, Samuel's a preacher and Tom's a professor; an' 'twixt the lot of 'em it keeps me goin' night an' day to support 'em."—**Atlanta Constitution.**

**Question Answered.**

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmother never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration of Heart failure, etc. They used August Flower to clean out the system and stop fermentation of indigestion food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by the Lafayette Drug Co.

The passenger rates on railroads in India are not more than one fifth of what they are in this country while the earnings are five per cent more. This is, of course, due to the density of the population and strange to say, to the traveling habits of the poorest classes. It is said that the first-class cars carry less than one per cent of the passengers; the second class 2.81 per cent, while the third-class 96.45.

Do not get scared if your heart troubles you. Most likely you suffer from indigestion. Kodol Dyspepsia Cure digests what you eat and gives the worn out stomach perfect rest. It is the only preparation known that completely digests all classes of foods; that is why it cures the worst cases of indigestion and stomach trouble after everything else has failed. It may be taken in all conditions and cannot help but do you good. For sale by Lafayette Drug Co.

Among the many false pretenses on which Mr. McKinley's campaign for re-election is being conducted none is more disreputable or more positively insulting to that half of the American people which will not vote for him than the pretense that to oppose Mr. McKinley now is to give "aid and comfort to the enemy"—the Filipinos. It is getting quite near to the lowest depths of partisan passion when, for the sake of a passing party advantage, the triumph of a year, statesmen of leading rank and newspapers of wide influence are willing to place their country before the world in the degrading light of having one in every two of its citizens for its enemy.—**Baltimore Sun.**

By motion of Mr. Buchanan, the following resolution was unanimously adopted: Whereas, The General Assembly of the State of Louisiana for the year 1900, by act No. — did authorize the parish of Lafayette, Louisiana, and the trustees of the Southwestern Louisiana Industrial Institute to issue bonds to aid in the construction of the said Southwestern Louisiana Industrial Institute.
