ASTONISHING RESULTS FOR COWS.
ASH FLAT, ARKANSAS.
Gentlemen— I bought two
milk cows which were the poorest
I ever saw. They gave about
one pint of milk. I commenced
feeding International Stock
Food and in a short time the im-
provement was astonishing. The
cows are now in perfect condi-
tion and furnish all the milk and
butter for a family of seven, with
a good quantity daily for the
hogs. The calves belonging to
these cows were very small,
poor and the worst looking you
ever saw. They improved as
much as the cows.

Virulent Cancer Cured.
Startling proof of a wonderful advance in
medicine is given by druggist G. W.
Rebers of Elizabeth, W. Va. An old man
there had long suffered with what good
doctors pronounced incurable cancer. They
believed his case hopeless till he used Elec-
tric Bitters and applied Backen's Arnica
Salve, which treatment completely cured
him. When Electric Bitters are used to ex-
pel bilious, kidney and microbe poisons at
the same time this salve exerts its matchless
heating power, blood diseases, skin eruptions,
ulcers and sores vanish. Bitters 50c.

Police Jury Proceedings.
Lafayette, La., June 5, 1902.—The
Police Jury met this day in regular session
with the following members present: Mr.
Billeaud, Jr., J. C. Buchanan, F. G. Mouton,
J. A. Labbe, J. O. Blanchet, Alonzo
Lacy, John Whittington, Saul Broussard
and Alex M. Broussard.
The minutes of the previous meeting
were read and approved.
Mr. Buchanan asked that the minutes re-
cord his vote nay on the motion to grant an
appropriation to the town of Carecero for
erecting a bridge, the appropriation having been
consulted and rendering an adverse opinion
as to the legal right to make the appropria-
tions. Granted.
Mr. Mouton explained that he had
moved the appropriation be allowed on the
ground of equity, the parish revenue from
the per capita tax in the town of Carecero
far exceeding the amount allowed for the
bridge.
Attorney Mouton rendered opinions as to
the boundary lines between Lafayette and
Vermilion and between Lafayette and Aca-
dia. The line between Lafayette and Ver-
milion is as defined by the regular or-
dinance of the Jury giving six months
notice to Vermilion parish in accordance
with provisions of act 49 of 1855; Revised
Statutes of Louisiana, Sec. 2624. The
line of Acadia parish are defined by act
39 of 1880 and provides that the territory to
form said parish shall be taken exclusively
from the parish of St. Landry and as the
boundary line fixed by act 157 of 1808 con-
cerning the territory of Lafayette by tak-
ing a part of the territory of Lafayette and
incorporating same as a part of Acadia
the said act 157 is null and void. The said
act 157 of 1808 is further violative of article
278 of the constitution of 1898 which pro-
vides that all laws changing parish lines
shall be submitted to the electors of the
parishes affected and that a two-thirds vote
of the qualified electors of the respective
parishes shall be requisite to effect any change
in said boundary lines. The reports were
received and Attorney Mouton thanked.
By motion of Mr. Mouton the reply to
Vermilion parish as to marking boundary
line was deferred and the secretary in-
structed to notify the Vermilion authorities
to proceed in accordance with legal require-
ments.

Messrs Agnes and Aramide Guilbeaux were
allowed the usual appropriation for at-
tendance upon the Summer Normal at Frank-
lin.
Superintendent Allemen here appeared
and tendered the Jury complimentary tickets
for the Chautauque lectures and extending a
special invitation to the body to attend the
reception for parish officials fixed for June
25. By motion of Mr. Mouton a vote of
thanks was tendered Superintendent Al-
lemen for the courtesies and the Jury re-
solved to attend the reception in a body.
Mr. Blanchet reported further conference
with the Vermilion committee relative to
locating the bridge and the agreement could
be reached. By motion of Mr. Whittington
it was resolved that if Vermilion parish does
not shortly accept the terms and offer of La-
fayette to construct the proposed bridge on
the site fixed and approved by the United
States engineer, the committee representing
this parish is instructed to examine other
sites and endeavor to find a suitable loca-
tion.
President Billeaud appointed Messrs.
Mouton and Labbe to paint In Hook
bridge.
Messrs. Alex M. Broussard and Saul
Broussard reported donations of paper
roads in the second and sixth wards, respec-
tively and same were accepted and ordered
recorded.
Mr. Saal Broussard was authorized to
build a new bridge over a canal on the new
road.
The following was adopted: Resolved
that Antoine Broussard, roadloversee of the
8th ward, is hereby instructed to notify Mr.
Albert Dubon that by order of the Police
Jury he will remove after ten days notice
hereof the two china trees standing in the
public road opposite the property of said
Albert Dubon.
By motion of Mr. Buchanan the president
appointed Messrs. Alex M. Broussard and
Alonzo Lacy to examine into the matter at
issue between Dr. H. D. Guilty, president
of the Board of Health and Ignace Trahan,
relative to a certain case of smallpox in the
8th ward.
The treasurer submitted reports as fol-
lows:

Does It Pay To Buy Cheap?
A cheap remedy for coughs
and colds is all right, but you
want something that will relieve
and cure the more severe and
dangerous results of throat and
lung troubles. What shall you
do? Go to a warmer and more
regular climate? Yes, if possible;
if not possible for you, then in
either case take the only remedy
that has been introduced in all

Fire at Rayne.
A special from Rayne to the Picayune
of June 9 says: The largest fire seen in this
town for the past seven years occurred this
morning at 3:10 o'clock. The fire originated
in the Brunner Bros. store, a two-story frame
building, and soon spread to other adjoining
buildings. The following buildings were
destroyed and were a total loss:
Building occupied by Brunner Bros. and
used by Sam Haas, of Chicota. Building
insured, but amount not learned. Brunner
Bros. stock of merchandise valued at about
\$5,000, no insurance.
Building owned by Brunner Bros. and oc-
cupied by Eli Shurechewski as clothing store,
stock insured in Liverpool and London and
Globe for \$1,000, and at \$2,000; no insur-
ance to the building.
Building owned by J. H. Wright and oc-
cupied as a barber shop and postal tele-
graph office, no insurance on building.
Building owned by A. St. Chappais and
occupied by Chas. Oudin as a saloon and
Gaston Servot as a grocery store. Building
insured in Providence, of Washington, for
\$750, valued at \$1,000. Stock of Mr. Oudin
insured in Equus Agency for \$2,000. Loss
about \$1,500.

Scalded (scalding) Brunner Bros. and oc-
cupied by Chas. Oudin as a saloon and
Gaston Servot as a grocery store. Building
insured in Providence, of Washington, for
\$750, valued at \$1,000. Stock of Mr. Oudin
insured in Equus Agency for \$2,000. Loss
about \$1,500.
The brick building owned by Mervine
Kahn and occupied by the Rayne State
Bank caught on fire, but no damage was
done to the building outside of the roof to
the building and the roof to Mr. Kahn's
grocery store; damage estimated at about
\$750, fully covered by insurance.
The building owned and occupied by
Dave Levy caught several times, but was pat-
ent. The building was badly scorched,
windows broken and stock damaged by
water to the amount of about \$1,000, fully
covered by insurance.

The saving of Kahn's department store
and residence and all adjoining buildings in
the entire block was due to the brick bank
building and good work of citizens, where
the fire was checked.
Luckily it was a calm morning and no
wind blowing, otherwise the entire town
would have been endangered, owing to the
recent dry spell. The origin of the fire is
unknown.

Filthy Temples in India.
Sacred cows often defile Indian temples,
but worse yet is a "body" that's polluted by
constipation. Don't permit it. Cleanse
your system with Dr. King's New Life Pills
and avoid untold misery. They give lively
livers, active bowels, good digestion and ap-
petite. Only 25c at Clegg's drugstore.
