All Were Saved.

Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from Asthma, till it cured her, and all our experience goes to show it is the best Croup medicine in the world." A trial will convince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bottles free at Wm. Clegg's drugstore.

The next grand races at Surrey Park will take place in October.

With an electric railroad and oil in paying quantities, town property will double in value within the next twelve months. Call on J. C. Nickerson, real estate agent, and buy while prices are down.

A Curious Bird.

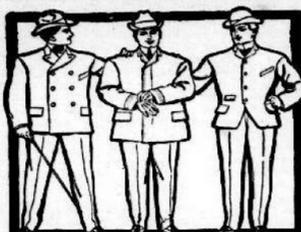

The sewing or tailor bird of India is a little yellow creature not much larger than one's thumb. To escape falling a prey to snakes and monkeys, the tailor bird picks up a dead leaf and flies up into a tall tree, and with a fiber for a thread and its bill for a needle sews the leaf on to a green one hanging from the tree, the sides being sewn up, and an opening left at the top. That a nest is swinging in the tree no snake or monkey or even a man would suspect.

State of Louisiana, Parish of Lafayette: I hereby certify that the above and foregoing is a true and correct list of Grand and Petit Jurors selected and drawn to serve at the regular jury term of the 18th Judicial District Court, in and for the parish of Lafayette, La., beginning Monday, September 29, A. D. 1902.

Witness my official signature and seal of office this August 26, 1902.
 Ed. G. VOORHIES, Clerk of Court.

Caution!

This is not a gentle word—but when you think how liable you are not to purchase for 75c the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing curing the nights and mornings, there is nothing like German Syrup. Sold by all druggists in the civilized world, G. G. Green, Woodbury, N. J.

A Card.

Parish of Lafayette, La., Aug. 23, 1902.—On the 6th day of August, 1902, I was undeservedly admitted as a guest in the home of Mr. Duplessis Landry in Lafayette Parish, with whom I had always been on friendly terms. Mrs. Duplessis Landry is a lady well known in the community for her virtue and many good qualities; and one whose reputation has always stood high; but in disregard of all this I maliciously slandered her character as a virtuous woman, well knowing at the time that I uttered that it was false, and I now publish my own turpitude and the baseness of my conduct, to vindicate the injured party.

Attest: (this mark) MEXARD.
 Witnesses—J. N. Reaux, Alex Billeaud.
