## CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Killman, of this place, says; "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.

## DURABILITY

One thing that adds excess value and life to the Series 18 FOUR and SIX is the special steels used in the manufacture, made to Studebaker's own specifications especially for Studebaker cars.

Another is the scientific heat treatment of vital parts, like gears, axles, and shafts, etc., and permits lighter weight with increased strength.

A third is the absolute accuracy of Studebaker manufacturing processes, and the resulting perfect fit and alignment of all parts, and perfect balance of motor parts and the entire car, reducing friction and wear to the very lowest point.

This is why Studebaker Cars "stand up," give continuous service month after month, year after year, with low up-keep cost. This is why a Studebaker in the end is one of the most economical cars in the world to buy.

Come in and let us give you a demonstration specifications especially for Studebaker cars.

40-H. P., 7-Passenger FOUR.....\$985
