DOING THEIR DUTY.
Scores of Houma Readers are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are sick. Backache and many kidney ills follow.

Help the kidneys do their work. Dean's Kidney Pills have cured thousands of severe cases.

Proof in the following: Mrs. Julia Chadwick, of Franklin, La., says: "While visiting my daughter I learned of Dean's Kidney Pills and purchased a box."

"I suffered intensely from pain in my back, in fact, it kept me awake at night. My circulation was poor and at times my ankles became badly swollen. My body was also very sore and these symptoms plainly told me that my kidneys were disordered. Soon after I began taking Dean's Kidney Pills, I was relieved of all these difficulties, and I have not had a severe attack for a number of years. Dean's Kidney Pills helped me in every way and I have enjoyed much better health since using them."

For sale by all-dealers. Price 60 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Dean's—and take no other.
