f. o. b. Toledo, including Five Wire Wheels

## Style and Utility

It has the style yet it is so economical that it makes an ideal utility car.

The smooth-lively-powerful motor makes it a wonderful performer.

Cantilever rear springs and four inch tires make it remarkably easy riding.

The unique seating arrangement provides ample room for four large passengers.

The front seats are adjustable forward or back.

Five wire wheels are regular equipment included in price.

Come in and look this car over.
