### The Reasons for the Club

To provide a way for those of moderate and even small means to bank their money.  
To teach "the Banking habit" to those who have never learned it.  
It makes your pennies, nickles and dimes, often foolishly spent, grow into dollars; dollars grow into a fortune. Start your fortune today.  
To give you a Bank connection and show you how our Bank can be of service to you.

**For Old and Young** The sensible thing for all parents to do is to join our Christmas Banking Club and also put every member of their family into it. This will teach them the value of money and how to bank and **HAVE MONEY**. Maybe this little start you give them now may some day set them up in business or buy them a home.

How often have you wished that your parents had taught you early the value of banking your money. You would be well-off today. Don't make the same mistake with **YOUR** children.

If you would or have insured your house, why is it that you are not wise enough to insure your auto? If an auto becomes injured it's usually ruined entirely -- if your house catches fire, perhaps only a small damage is done. Moral--insure your auto here. Do it quick.
