MARRIAGE GUIDE.

Being a private instructor for married persons or those about to be married, both male and female, in everything concerning the physiology and relations of our sexual system, and the production or prevention of offspring, including all the new discoveries never before given in the English language, by W. J. YOUNG, M. D. This is really a valuable and interesting work. It is written in plain language for the general reader, and is illustrated with numerous Engravings. All young married people, and those contemplating marriage, and having the least inclination to married life, should read this book. It discloses secrets that every one should be acquainted with; still it is a book that must be locked up, and not lie about the house. It will be sent to any one on the receipt of twenty-five cents, in specie or postage stamps. Address—

W. J. YOUNG, No. 416 Spruce street, above 4th Philadelphia.

Afflicted and Unfortunate.—No matter what may be your disease, before you place yourself under the care of any one of the notorious quacks—native or foreign—who advertise in this or any other paper, get a copy of either of Dr. Young's Books and read it carefully. It will be the means of saving you many a dollar, your health, and possibly your life. Dr. Young can be consulted on any of the diseases described in his publications, at his Office, No. 416 Spruce street, above Fourth. sep. 24-ly
