All young married people, or those contemplating marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with; still it is locked up and must be unlocked up, and not about the house. It will be sent to any one on the receipt of twenty-five cents, in specie or postage stamps. Address

BY ROBT. J. CULVERWELL, M. D., Author of the "Green Book," &c.

The world-renowned author, in this admirable Lecture, clearly proves from his own experience that the awful consequences of self-abuse may be effectually removed without medicine, and without dangerous surgical operations, tonics, or instruments, rings, or cordials, pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This Lecture will prove a boon to thousands and thousands.
