AGENTS.

Mr. A. A. Goodwin, of Alexandria, is an authorized agent of the CHRONICLE, and will contract for advertisements and receive subscriptions.

LOCAL DOTS.

Mr. J. B. Tucker has been down with chills and fever for a week, but is improving.

Judge W. L. Richardson is building a big shed over his entire horse lot, about 30x40 feet.

Mr. J. J. Burke, the photographer, had a congestive chill on Thursday, but with the help of Dr. Dunn he pulled through it and bids fair to come out all right.

Mr. R. S. Cameron now feels the weight of a father's care. A little girl cherub made her appearance at Don's house Monday night, and he is happy. Baby and mother getting along finely.

Parties indebted to the CHRONICLE will please settle up. We have waited to the very last minute on account of the hard times, but as we are hard pressed those who owe us must make a showing.

A man by the name of Ed. Stuckey, who has been living near Big Creek, was arrested and jailed by Sheriff Goode on last Wednesday. If he is the right man sought for, he is wanted in Mississippi on the charge of incest.

Mr. A. A. Goodwin, of the McEnery quarry, dropped into the CHRONICLE office on Thursday evening and remained long enough to load his pipe and take a dozen whiffs. Between puffs he informed us that he was getting out a car load of stone daily, and that the quarry was now one of the institutions of the State.

We are indebted to Rev. A. M. Wailes, president of the Educational Association of Winn parish, for an invitation to attend a meeting of that body to be held at Mt. Zion church, near Montgomery, on Friday, Sept. 18th. Hon. Warren Easton, State superintendent of public education, is expected to be present. As a portion of Grant parish will likely be represented at the association, it would give us pleasure to attend, but business engagements force us to forego the pleasure.

We take it all back, and beg pardon for prophesying clear weather. It is said that all signs fail in wet (or dry) weather, and we believe it firmly; for, didn't we have half a dozen signs all together last week, and didn't we risk our reputation as a prophet by predicting fair weather, and lo, it has rained nearly every day since. We are not discouraged, however, and will make one more trial by predicting that it will be either wet or dry, clear or cloudy, warm or cool, windy or calm during the coming week. If we fail in this prophesy we shall resign in favor of Professor John Miles, and will never try to be weatherwise again.

The construction of the Ship Canal across the Isthmus of Panama was certainly a daring, magnificent thing. But the fact that in the silky climate, while at work in that marvellous enterprise, so many brave and noble fellows lost their lives, is a pathetic, tragic thing. But it is a happy fact, that death there now, will be rarely seen. Panama druggists sell Smith's Bile Beans. Price, two bits per bottle.

District Court.

In accordance with his announced determination of trying every case on the docket, Judge Overton held court open until last Monday, thus giving us a full two weeks term. Every case ready for trial was disposed of. There being no jury at this term, of course all jury cases were necessarily continued. In all only fourteen cases were finally disposed of. More than half of the two weeks time was taken up in the trial of two causes, namely the Perry case and the McLaughlin case. The record in these two cases is very large. We give below the titles of all suits decided at this term of court:

- 380—H. V. McCain & Bro. vs. R. M. Plunkett, judgment for plaintiff.
381—J. W. Johnston vs. C. W. Day, judgment for plaintiff.

Gen. U. S. Grant's Pictures.

Do not read this notice, unless you care to read a proposition which, if you accept, will cost you something. We have an engraving made from an oil painting by a celebrated artist of Gen. Grant, for which he sat shortly after his trip around the world. It is in the opinion of critics the best picture of the dead hero in existence. The price of the engraving, 2 1/2 x 2 1/2 inches, on very heavy steel engraving board, is one dollar and twenty-five cents (\$1.25), postage paid by us. So thoroughly are we convinced of the value of the engraving as a work of art, and its appreciation by the public, that we will mail to any address in the U. S., for inspection, one copy, packed in a heavy paper box, upon receipt of 24c in stamps to pay postage and packing, upon the condition that the party receiving same send us one dollar (\$1.00) upon receipt of engraving, if it is satisfactory, or return the picture to us if it is not considered worth full the price asked. We have also a very handsome Cabinet Photo of Gen. Grant, hand finished, which we will mail on receipt of 25c. No album is complete without one. Liberal arrangements will be made with agents. Write for terms and price list. Enclose stamps. Address WILLIAM DICKSON & Co., Publishers, Box 328, Chicago, Ill.
