

The Colfax Chronicle.

SUBSCRIPTION, \$1.50 A YEAR, IN ADVANCE.

SATURDAY, APRIL 23, 1893.

LOCAL DOTS.

Mrs. J. H. McNeely has been visiting her aunt, Mrs. Murphy, on bayou Rapides, this week.

Many Persons
Are broken down from overwork or household cares. **Brown's Iron Bitters** rebuilds the system, aids digestion, removes excess of bile, and cures malaria. Get the genuine.

Error and Misapprehension thy name is Law and Order League, as witness its late alleged "investigations."

Robt. Hagan, Jim Jones and Richard McMillen were taken to the penitentiary by Deputy H. C. Rogers on last Monday.

We have a communication relative to the road controversy, but for lack of time and room its publication is deferred until next week.

DIED.—At her residence in Grant parish, on bayou Parasol, Mrs. Julia Charbino, wife of M. Corbett, departed this life April 5, 1893.

Alexandria Town Talk announces the death of the 2-year-old infant daughter of Mr. Joseph Spotten, who died at Pineville on the night of March 29th.

Dr. A. R. Browne, dentist of Columbia, writes us word that he will be in Colfax on or about May 1st, prepared to do all kinds of dental work.

Dr. R. M. Deen, elected as corner in April, 1892, came in last Saturday and qualified. The doctor seems to proceed under the motto, "never too late to do good."

At Nugent's mill, in ward two, on Friday, March 30th, the house of Mr. John Lanier was burned. The fire occurred early in the morning, about 5 o'clock, and nearly everything in the house was lost.

We were pleased to receive a call from Mrs. Grow, former post-mistress at Colfax, who spent Tuesday and Wednesday here on business and pleasure, and returned to Montgomery via Boyce and Natchitoches.

"Beauty" may be "only skin deep," but the secret of a beautiful skin is pure blood. Those coarse, rough, pimply complexions may in most cases, be rendered soft smooth and fair by persevering and systematic use of Ayers Sarsaparilla.

Rev. J. C. Hale, a well known Baptist minister of Grant parish, died at his home in ward 3, the night of March 30, 1893, aged about 60. He had a large number of relatives in this parish, and was a valuable neighbor and citizen.

Buokien's Arnica Salve.
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all other skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25c per box. For sale by C. C. Naah.

Mr. Wm. P. Walker, of Oction, who has been an invalid for many years, died on Sunday, April 3, 1893, about 7 p. m., aged about 45 years. He leaves a wife and several children, who have the sympathy of many friends in their affliction.

The Easter services at the Methodist church in Colfax on last Sunday evening were well attended, and proved quite creditable to the little folks, as well as interesting and entertaining to the older heads. In fact, it was more successful than the participants expected, as they prepared and practiced the whole programme for less than a week. It shows what can be done with a little endeavor, and should be an incentive to more frequent trials in this line.

Now Try This.
It will cost you nothing and will surely do you good if you have a cough, cold, or any trouble with throat, chest, or lungs. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to give relief, or money will be paid back. Sufferers from the grippe found it just the thing and under its use had a speedy and perfect recovery. Try a sample bottle at our expense and learn for yourself just how good a thing it is. Trial bottles free at C. C. Naah's store. Large size 50c \$1 3

He Took Leg Ball.
On Tuesday last, about 4 p. m., while Deputy J. C. Killingsworth had the prisoners out working the streets, Joseph Talbert, who was under 6 months sentence, gave the deputy the slip and got to the woods before pursuit could be organized. A posse of several persons joined in the chase, but the prisoner made good his escape, and has not since been heard from. The deputy was a little slack in vigilance, as he thought Talbert would hardly skip to avoid so light a sentence. Talbert is tall, slim built, dark complected, black hair, dark eyes, and is generally of serious demeanor.

Judge Wear returned to Colfax on Friday, and trial of the Teal-Hyde case was taken up. Messrs. W. C. Roberts and Henry Bernstein are the attorneys for Mr. Teal, while Hon. R. P. Hunter is counsel for Mr. Hyde. Testimony is being taken as we go to press, and the indications are that a good portion of Saturday will be consumed on the case.

Following is the list of unclaimed letters remaining in the Colfax postoffice April 1, 1893: Milton Barley, Turner Buckins, Joseph Booker, Alfred Brener, Henry W. Gibbs, H. W. Gibbs, Milton Moran, J. W. Sorrells, Navia Woods, Easter Williams. If not called for in thirty days they will be sent to the dead letter office.

The Montgomery Literary Association has our thanks for an invitation to attend one of their famous entertainments on the night of Friday, April 14th, in which fun and artistic representations will both amuse and interest the spectators. Admission free, and all who can should attend.

Moon Pork.
Cor. Nat. Stockman and Farmer.

During the period of 48 years I have been putting up pork for my own use, and have put it up in all phases of the moon. I have never been able to discover any difference, providing the animal slaughtered was improving, but on the other hand, if the animal was not improving or had been fed to its utmost limit, and was at a standstill for some time, I have discovered that the meat would shrink in cooking. This, I think, is all the moon there is in the case.

A Little Girl's Experiences in a Lighthouse.
Mr. and Mrs. Loren Trescott are keepers of the Government lighthouse at Sand Beach, Mich., and are blessed with a daughter, four years old. Last April she was taken down with measles followed with a dreadful cough and turning into a fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a "mere handful of bones."—Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at C. C. Naah's.

For Bronchitis

"I never realized the good of a medicine so much as I have in the last few months, during which time I have suffered intensely from pneumonia, followed by bronchitis. After trying various remedies without benefit, I began the use of Ayer's Cherry Pectoral, and the effect has been marvelous, a single dose relieving me of choking, and securing a good night's rest."—T. A. Higginbotham, Gen. Store, Long Mountain, Va.

La Grippe

"Last Spring I was taken down with la grippe. At times I was completely prostrated, and so difficult was my breathing that my breath seemed as if confined in an iron cage. I procured a bottle of Ayer's Cherry Pectoral, and no sooner had I begun taking it than relief followed. I could not believe that the effect would be so rapid."—W. H. Williams, Cook City, S. Dak.

Lung Trouble

"For more than twenty-five years, I was a sufferer from lung trouble, attended with coughing & severe at times as to cause hemorrhage, the paroxysms frequently lasting three or four hours. I was induced to try Ayer's Cherry Pectoral, and after taking four bottles, was thoroughly cured. I can confidently recommend this medicine."—FRANK HOFFMANN, Clay Centre, Kans.
