We learn from Mr. G. H. McKnight that the increase of assessments in Grant parish this year will be about \$40,000 over that of last year. The total number of polls listed is 1684.

As a remedy for all forms of headache Electric Bitters has proved to be the very best. It effects a permanent cure, and the most dreaded habitual sick headache yields to its influence. We urge all who are afflicted to procure a bottle and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only fifty cents at any drug store.

Our old time fellow-citizen, Mr. Thos. F. Swafford, of ward four, was in Colfax on Thursday, for the first time in fifteen years. He was here with his son, Mr. M. E. Swafford, for the purpose of making a swap of land with Mr. Lestin Lemoine. The exchange is for 520 acres of wild land in Natchitoches parish, lying about opposite the mouth of bayou Nantachie, which is transferred to Mr. Lemoine for his home place in ward six, Grant parish, consisting of 120 acres and all improvements.

Rev. A. G. O'Neal, called in to see us on yesterday and to report the splendid success he has had at two new churches lately organized. The final result of the meeting at Fairfield Baptist church, which closed last Sunday, was 24 accessions and a general revival throughout the community. On last Sunday night a meeting was commenced at Corinth and continued until Thursday at 11 o'clock, resulting in 19 accessions to the church and a general revival.
