

LOCAL DOTS.

Rev. Mr. Smiley, who has just closed a successful revival at Montgomery, expects to begin a protracted service in Colfax in about ten days.

Among the visitors to Colfax this week was our old time fellow-citizen, Capt. C. C. Nash, who also brought his daughter, Annette, with him.

Miss Ollie Ballance, who has been in Colfax for the past week, has been sick for several days at the residence of Mr. J. A. Williams, but we are glad to state that she is improving.

Judge Machen is rather light in his sentences for carrying concealed weapons. Heretofore the rule has been both fine and imprisonment. It is a good rule, as the boys who insist on carrying their little pops, seem to dread imprisonment more than anything else.

The merchants of Colfax have been hauling freight, mostly provisions, from Boyce this week, which we understand is received from Alexandria and Shreveport, and, from persons passing we learn that arrangements are being made for free traffic between these points.

Quite a number of the citizens of Montgomery came down yesterday as witnesses in the Milligan-Johnson robbery case, and were glad to get off by the dismissal of the case. Among them were Messrs. W. O. Harrison, J. H. Williams, Jno. L. McCain, Ralph McCain, C. McGinty and others.

We were pleased to meet our handsome young friend, J. M. Rhorer, Jr., and little son in Colfax on Wednesday. He and his wife and family are up from Plaquemine on a visit to the old home at Fairmount, and, being caught in the quarantine, will probably remain for two or three weeks to come.

Mr. J. H. Williams, of Montgomery, attended the Nashville exposition, and left his daughter, Miss Nettie there to attend school. He got caught in the quarantine at Shreveport last Monday, and Tuesday night he turned up at home under suspicious circumstances, with a stray horse and saddle, and has since refused to give any account of himself. We understand the citizens propose to hold a mass meeting, and see that he is disinfecting.

Mr. S. B. Lee, who was in town a couple of days during the first part of the week, informs us that up to this time less than a hundred persons have applied for registration, owing possibly to its being the busy season among the farmers, and also to the fact that most persons propose to take advantage of his trip through the parish to meet him at his appointments during the sixty days registration just before the election.

Attorney Henry Bernstein, formerly of Winnfield, has formed a copartnership for the practice of law at Monroe, his firm name being Hudson, Potts & Bernstein, in which he is now associated. His associates in the firm will be recognized as lawyers of standing and repute in Monroe, and in Mr. Bernstein there is added to the firm an amount of ability and eloquence that will greatly increase the force and value of this team as advocates and counselors at law.

The Happy Now Compared with The Melancholy Past.

MRS. CHAS. LA POINTE.

It's the old, old story, told over and over again since the dawn of creation. The story of the heart. It's a theme that never wears. And yet the saddest stories of the heart are those of its disorders. It has been the most neglected organ in the body. There are thousands of cases of heart disease that never receive the proper treatment. The average doctor knows little of the heart, and treats the cases presented to him, as some other disorder and in this manner, patients, instead of being cured, are made worse.

The testimony of the lady whose portrait appears above is pertinent. Dr. Miles' discoveries, relating to the heart and nerves, mark a new era in the treatment of disorders of these most vital organs. Heart disease, formerly considered beyond the pale of medical aid, has at last yielded the victory to Dr. Miles' New Heart Cure. The reports received by Dr. Miles' Medical Co., of cases where special advice is asked, show conclusively that in a majority of cases complete cures follow the faithful use of Dr. Miles' Restorative Remedies. The few failures are generally due to negligence on the part of the patient in not taking the remedies as directed.

"A severe attack of typhoid fever left me with heart trouble of the most serious nature. Nothing the doctors gave me seemed to have any effect. They gave the very strongest of heart medicines, but to no avail. I had severe pains in the region of the heart, and was unable to sleep or lie on my left side for more than three minutes at a time without great pain. My heart seemed to miss beats, and I had smothering spells, in which it seemed every breath would be the last I should draw on earth.

We accidentally heard of Dr. Miles' New Heart Cure and Restorative Nervine, and as a last resort we purchased a bottle of each. After taking the remedies a week, I could be lifted in a chair and sit up an hour. In two weeks I could walk about, and in a short time I was able to do light housework and I am now well along on the road to health.

I shall be ever grateful to you for your wonderful medicines and will praise them to everyone I know. Truly they saved my life. Hoping every one who uses Dr. Miles' Remedies will derive the same benefit that I have, I remain,
