DIED.

GOODWYN—At Marlin, Texas, at midnight on New Year's night, 1902, Rev. Alexander Elias Goodwyn, born Feb. 20, 1828, departed this life aged 73 years, 10 months and 11 days.

The deceased formerly belonged to the Louisiana Annual Conference, but transferred to the Texas Conference about fifteen years ago. There were five brothers in Louisiana, Rev. A. E. Goodwyn being the youngest of the five, and all of them were widely and honorably known throughout this State. The others were Rev. Philo M. Goodwyn, Simeon T. Goodwyn, G. W. W. Goodwyn and Harvey H. Goodwyn, of whom all are dead except the last named, now residing in the City of New Orleans. There were three sisters, namely: Elizabeth, widow of Rev. N. A. Cravens, (formerly a member of the Louisiana and Texas conferences;) Kate, who married Judge H. L. Grinstead, of Camden, Ark.; and Mary, who married Lieut. Hatcher, killed in the late Confederate war. He also had two half sisters, Maria and Belle, married respectively to Dr. S. L. Gustine and F. W. Pike.

The Texas Christian Advocate pays the following tribute of respect to the memory of the deceased, viz:
REV. DR. A. E. GOODWYN IS DEAD.

Dr. A. E. Goodwyn, of the Texas Conference, died New Year's night, very suddenly, at his home in Marlin. We are indebted to Rev. D. H. Hotchkiss for the following account of the sad event: "It was his pleasure to attend the late session of the conference at Huntsville, where he was one of the active and useful members. He returned home somewhat indisposed, but was able to be out in the past few days. Sunday morning—the last Sun-

day of the year—and almost the first of our conference year, found him in the service at the church. In the afternoon he attended, and enjoyed with overflow of spirit and great brotherly love, the union prayer-meeting of the men at the Baptist Church. On New Year's day, as was his custom, he called on several friends, starting the new year with them in happiness and good wishes. He returned home tired, but would have attended the mid-week prayer-meeting had he not been persuaded to remain and rest himself. The evening hours were bright and happy in the family circle. He retired about 11:30 o'clock, but near the hour of 1 his heavy breathing waked his wife, who spoke to him, but receiving no reply she arose, turned on the light and discovered that he was dying. The family were called, but before a physician could be summoned or anything be done, he passed away, quietly and peacefully. The immediate cause probably was apoplexy. The summons, while sudden and unexpected, did not find him unprepared. He had nothing to do to get ready for a departure. A useful man of God, a genial, sunny-hearted friend, a devoted husband and father he was. Sister Goodwyn and the daughters are bearing their bereavement bravely and submissively. His body was laid away in the cemetery at Marlin, after services in the church, in which Revs. H. M. Sears and J. H. Collard, of the Methodist Church; C. Smith, of the Marlin Baptist Church, and Evangelist W. P. Fife, of the Presbyterian Church, assisted Rev. D. H. Hotchkiss, the pastor." A suitable memoir will follow later.

Working Overtime.
Eight hour laws are ignored by those tireless, little workers—Dr. King's New Life Pills. Millions are always at work, night and day, curing indigestion, biliousness, constipation, sick headache and all stomach, liver and bowel troubles. Easy, pleasant, safe, sure. Only 25¢ at L. B. Price, Colfax; Bush & Randolph, Fairmont.

A special to the Times-Democrat says: Senator Foster has been appointed chairman of the sub-committee on interoceanic affairs. This is the committee which will have consideration of isthmian canal matters, and the selection of Senator Foster for this important post is a tribute to his ability and to the confidence reposed in him by the members of the committee not usually bestowed upon a new member.

Mr. W. L. Johnson has been appointed police juror for ward two, vice E. L. Stuckey, resigned, and Mr. B. H. Phillips has been appointed for ward six, in place of M. L. Spikes, deceased. Both are good representative men, and will doubtless give general satisfaction.

The Danish West Indian Islands are now the property of the United States, the Senate having agreed to ratify the treaty with Denmark for their sale for the price of five million dollars on Tuesday last.

Clerk's Wise Suggestion.

"I have lately been troubled with dyspepsia, belching, sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food. J. A. Hyde.

The greatest danger from colds and influenza is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. It will cure a cold or an attack of laryngitis in less time than any other treatment. It is pleasant and safe to take. For sale by J. H. McNeely, Colfax; and Bush & Randolph, Fairmont.
