DIED.

BUCKNER—At his home in New Verda, La., June 28, 1908. Thomas Dozier Buckner, departed this life aged 28 years.

He was the son of W. T. and E. A. Buckner, and was born and raised in Grant parish. He engaged in the mercantile business until February, when he moved to New Verda, where he died. He was striving so hard to raise his two little children which were left to him by his wife who died in April, 1907. He was not the member of any church, but lived a good moral life, and was loved by all who knew him. It seems so sad to think our loved one has gone from us never more to return, but God's will be done, not ours. He leaves an aged father and mother, four sisters, five brothers and the saddest of all two sweet little children, to mourn his loss; but our loss is his eternal gain.

There is never a day so sunny But a little cloud appears, But it has a time of tears, Yet the sun shines out brighter When the stormy tempest clears.

There's never a cup so pleasant But the water with the sweet, There's never a path so rugged That it bears not the print of feet, And we have a helper promised For the trials we may meet.

There's never a dream so happy But the waking makes us sad, There's never a dream of sorrow But the waking makes us glad, We shall look some day with wonder At the troubles we have had.

There is never a heart so haughty But will some day bow and kneel, There is never a heart so wounded That the Saviour cannot heal.

So grieve not, dear mother, For we know he's gone from here, So let us prepare to meet him In that home where he is near.

Written by sister, IDA JAMES.
