Bob Moore Pardoned.
Bob Moore, who was sent to the penitentiary from Grant parish two years ago, for the killing of Jack Hadnot, has been pardoned and released from prison. Attorney J. A. Williams has been working hard to secure a pardon for Moore, and his efforts have proven successful.

A strong appeal in Moore's behalf was made, and the Board of Pardons granted his petition on the following grounds. "Because it appears that the killing was committed in a shooting affray in which both men drew their revolvers at the same time, and because the crime therefore is self-defense, or at the most, manslaughter, unconditional pardon is recommended for Robert Moore, convicted of murder in the parish of Grant, and sentenced to a life term in the penitentiary. Eleven jurors signed a statement to the effect that they misunderstood the judge's charge, and believed the verdict of guilty on a charge of murder was the only verdict they could return under the law. Moore killed Jack Hadnot after an altercation over \$50, which Hadnot claimed Moore owed him."

The deceased was a prominent citizen of Grant parish, and enjoyed the confidence and esteem of a large circle of acquaintances. He died suddenly with heart failure. W., and of the church services which he attended only a few hours before the final summons, he was selected as the superintendent of the Baptist Sunday school. He was a prominent member of the church, and took a great deal of interest in church affairs. Dec. 8, 1887, he was married to Miss P. A. Teddlie, and of this union seven children were born, who with his wife are left to mourn a father's love and care. Also he leaves three brothers living in Winn parish.

The Modesty of Women

Naturally makes them shrink from the delicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary, lay, or non-professional testimonials.

The most intelligent women now-a-days trust on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.
