

AFTER 7 YEARS SUFFERING

I Was Cured by Lydia E. Pinkham's Vegetable Compound

Waurika, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and began its use and wrote to Mrs. Pinkham for advice. In a short time I had gained my average weight and am now strong and well."—Mrs. SALLIE STEVENS, R. F. D., No. 8, Box 81, Waurika, Okla.

Another Grateful Woman.
Huntington, Mass.—"I was in a nervous, run down condition and for three years could find no help. I owe my present good health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier which I believe saved my life. My doctor knows what helped me and does not say one word against it."—Mrs. MARI JANETTE BATES, Box 134, Huntington, Mass.

Because your case is a different one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, and nervous prostration.

Absent-Minded Bridegroom.
John Adams has always been absent minded, says the Kansas City Journal. Yesterday he went with Ida Lee, of Kansas City, Mo., to Kansas City, Kan., to be married by Paul Huff, acting probate judge. When Judge Huff asked him if he would "take this woman to be your lawfully wedded wife," he was looking out of the window and didn't answer. "If you've any doubts about it we will stop right here," the bride said defiantly. Adams protested that he had not hesitated at all, but had merely been thinking about something else. The ceremony as completed without further hitch.

The Point of View.
"I notice that you have given up the fight for a cleaner city. You used to be one of the leaders in the opposition to the smoke nuisance."

"Yes. I've come to the conclusion that smoke cannot be abolished. It's useless to keep harping on the question."

"By the way, what business are you in now?"

"Oh, I've quit working for a salary. An uncle of mine left me a valuable interest in one of our biggest machine shops."

MILTON'S HOME GOES

Historic Residence of Great Poet Is Doomed.

Bartholomew Close, Most Interesting Section of Old London, Is to Be Demolished—Benjamin Franklin Once Lived There.

London.—Bit by bit each year what little is left of old London disappears. Before long a whole neighborhood known as Bartholomew Close—nearly the most interesting relic of Old London, for it includes houses where Milton and Benjamin Franklin lived—will have to go.

The Smithfield meat market adjoins Bartholomew Close and traffic has grown so heavy around the market of late years that it has been found necessary to construct some new roads there. The best part of the old district covers the space wanted for the new roads, so sentiment must bow before expediency and the Close will be seen no more.

A close is literally the precincts of an abbey or a cathedral and this old district is so called because it partly is and once wholly was the precincts of the Priory Church of St. Bartholomew. At the present time what is known as the Close is just a network of rambling little streets and squares with quaint little courts branching out here and there; the church itself only occupies one corner of the place.

Milton lived for some time in this spot when he was in retirement about 1660. He took up his abode at a small tavern known as the "Little Wonder." The house is in a good state of preservation and is occupied at present by a plumber, who is very proud of his work-shop and gives all the information he can to visitors.

The house where Benjamin Franklin

Where Milton Lived.

lived is no longer in existence. As the old verger of St. Bartholomew said, "It's been completely metamorphosed into something quite different." Comparatively recently a lady chapel was added to St. Bartholomew's and to make room for it a famous old fringe factory had to be pulled down; part of the walls of the factory are still to be seen. In this building was Palmer's printing office where Franklin was employed as a journeyman printer while at the same time he was acting as America's ambassador.

Although Londoners will be glad to see the Bartholomew Close go on account of the slums it contains, still they will be sorry to see it demolished on account of its great antiquity and venerable associations.

LIFE SAVED BY FRIEND'S ADVICE

"About three years ago I suffered with appendicitis and after having an operation performed it left me with a severe case of kidney trouble. I was doctor'd by several physicians and getting no relief I took the advice of a friend and procured a bottle of Dr. Kilmer's Swamp-Root. After taking the contents of the first bottle I felt greatly relieved and decided to continue it. After using the contents of three more dollar bottles, I experienced a complete cure. I cannot recommend Dr. Kilmer's Swamp-Root too highly to anyone suffering from kidney or bladder trouble.

Yours very truly,

"ECZEMA ITCHED SO I COULDN'T STAND IT."

"I suffered with eczema on my neck for about six months, beginning by little pimples breaking out. I kept scratching till the blood came. It kept getting worse, I couldn't sleep nights any more. It kept itching for about a month, then I went to a doctor and got some liquid to take. It seemed as if I was going to get better. The itching stopped for about three days, but when it started again was even worse than before. The eczema itched so badly I couldn't stand it any more. I went to a doctor and he gave me some medicine, but it didn't do any good. We have been having Cuticura Remedies in the house, so I decided to try them. I had been using Cuticura Soap, so I got me a box of Cuticura Ointment, and washed off the affected part with Cuticura Soap three times a day, and then put the Cuticura Ointment on. The first day I put it on, it relieved me of itching so I could sleep all that night. It took about a week, then I could see the scab come off. I kept the treatment up for three weeks, and my eczema was cured.

"My brother got his face burned with gunpowder, and he used Cuticura Soap and Ointment. The people all thought he would have scars, but you can't see that he ever had his face burned. It was simply awful to look at before the Cuticura Remedies (Soap and Ointment) cured it." (Signed) Miss Elizabeth Gehrl, Forest City, Ark., Oct. 16, 1910.

Although Cuticura Soap and Ointment are sold by druggists and dealers everywhere, a liberal sample of each, with 32-page booklet on the care and treatment of skin and hair, will be sent, postfree, on application to Potter D. & C. Corp., Dept. X, Boston.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trade with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

Pain In Her Side
Mrs. Church, of Summit, N. C., (wife of J. W. Church, the Notary Public) suffered many years with female troubles. She finally tried Cardui, and in the following letter, her husband tells of her experience with this great medicine for women. He writes: "My wife was afflicted with womanly troubles for twelve years. She suffered great pain in her side and back, for two weeks at a time. We called in a doctor, our family physician for many years, and it was after his treatments all failed that she decided to
