

BAD CASE OF GRIP

Caused Sore Throat and Tonsillitis. Restored by Peruna.

Mr. W. H. Housley, Greenville, Tennessee, writes:

"Five years ago I took a very severe cold which resulted in la grippe. I never was so bad off. I was in bed several weeks, and when I did get up I had tonsillitis and sore throat."

Mr. W. H. Housley.

"I tried to cure this for eighteen months, but it gradually got worse. A doctor advised me to have my tonsils cut out, but I did not like the idea. Another doctor examined me, and told me the same thing. I finally got a bottle of Peruna, and after I had taken one bottle my throat was better. I bought and used a dozen bottles, and saw I was going to get well, and I did."

When you want a reliable medicine for a cough or cold take Chamberlain's Cough Remedy. It can always be depended upon and is pleasant and safe to take. For sale by all dealers.

Mr. Thomas J. Johnston, of Boyce, spent three or four days in Colfax last week, on a visit to his son, Mr. L. H. Johnston.

Mr. L. M. Futrell was among the visitors to Colfax last Monday, and paid his subscription to the Chronicle as a matter of course.

Mr. A. J. Buckner, after several months absence, is back at his old home for a short stay, and will vote before he returns to Texas, where he has not yet acquired citizenship.

Miss Corrine Wells, who is one of the trained nurses in the Shreveport Sanitarium arrived in Colfax last Monday night, and will remain a week or two on a visit to home folks.

MARRIED.—The many friends of Mr. Earl Huthnance and Miss Hattie Hurgis will be pleased to learn that they were united in marriage at Dallas, Texas, on Jan. 9, 1912. They are now located at their home on Cane river, about four miles from Colfax, and the Chronicle joins in with the congratulations the happy young couple are receiving.

To the Voters of Grant Parish, and Especially of Ward Seven.

I have been reliably informed by a member of the Socialist party that a line-up has been made between the B. D. Fletcher campaign managers and B. H. Hale, the Socialist leader, for Mr. Hale to work for Mr. Fletcher. Mr. Milton O'Quinn, it is alleged, will run for police jury member, and is to get the Socialist vote. In return sufficient of the Democrats it is thought will prove to be renegades and traitors to their party, turn Socialist and elect Mr. B. H. Hale to the honorable office of second justice of ward 7.

The parties that told me this say the reason they are telling on Mr. Hale is that they don't believe it is right, and they tried to keep Mr. Hale from mixing up with the Democrats. Gee! I don't blame them for not wanting him to mix up with such Democrats as that! But Mr. Hale was deaf to their appeals, and blind to the situation, and is now in the field for Mr. Fletcher.

The Socialists of Grant parish had better watch their leader, and the Democrats had better hide out, for it will make the hair stand on their heads if they only knew the influence those great politicians have in this locality, and the danger we are in of being delivered to the Socialist party in the general election!

In conclusion, will say, that if the weather don't get too bad, and these great politicians don't decide to put the election off so they will have a few days more in which to tell the people that some folks pay too much taxes, while some folks don't pay any, we will probably have the election next Tuesday.

Respectfully, D. O. MORRIS.
