RHEUMATISM ARRESTED

Many people suffer the tortures of some muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

War Upon Pain!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful. Mervin H. Soister, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely, and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new." March, 1915. At druggists, 25c.—Ad-1.

Nothing is a better education than the possession of money. If your child has a bank account he will take an interest in arithmetic; it will create in him an interest "in" his money more valuable than the interest "on" his money. He will learn the value of money and time and learn to look out for himself. Give him a bank account.
