The "Chicago Entertainers." The "Chicago Entertainers" is another star attraction of the lyceum series, which is under the auspices of the Progressive School League, and will be at the high school auditorium Tuesday night, February 29. This is the last attraction of the series for this season, and Miss Eva Lenahan Fitzgerald and Miss Elanor Craig Carlton, the entertainers, in musical and dramatic sketches, will endeavor to give their audience the best.

The auditorium is roomy and warm, and contains plenty of seats to accommodate the people. The floor is reclining so that persons in the rear can see as well as those in front; and the price of admission is only fifty cents for adults and twenty-five cents for children.

All proceeds realized from these attractions will be used for the benefit of the Colfax high school, in furnishing libraries, equipping the playgrounds, etc.

Mrs. Hugh Corry, Sr., Misses Nettie Redersheimer and Annie Casteix, and Messrs. Herbert Gremillion and Herbert Rhinehart, with Miss Kathleen Corry as chauffeur, motored up from Alexandria last Sunday and were guests of Mr. and Mrs. W. D. Lurry for the day.

Little Lucille Williams entertained a number of her little friends last Tuesday afternoon in honor of her eighth birthday. The day also being Washington's birthday hatchet souvenirs were distributed to her guests.

The game of basket ball last Saturday between the boys' teams of the Colfax and Verda high schools resulted in the Verda team giving the Colfax team a severe drubbing, to the score of 39 to 14.

COMING next Tuesday, "election day," to the high school auditorium is one of the best lyceum attractions this season—Miss Eva Lenahan Fitzgerald and Miss Elanor Craig Carlton, the "Chicago Entertainers," in musical and dramatic sketches.

## UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tone" Will Clean Your Sluggish Liver Better Than Calomel and Can Not Salivate.

Calomel makes you sick; you lose a day's work. Calomel injures your liver and it salivates; calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tone instead of using sickening, salivating calomel. Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tone because it is pleasant tasting and doesn't gripe or cramp or make them sick. I am selling millions of bottles of Dodson's Liver Tone to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.

### WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.
