

CALDWELL WATCHMAN

And it is dry, very dry.
 Rub-My-Tism will cure you.
 Dr. J. A. Biggs, of Grayson, was a prominent visitor Wednesday.

Sick headache is caused by a disordered stomach. Take Chamberlain's Tablets and correct that and the headaches will disappear. For sale by all dealers.

Representative J. E. McClanahan, of Riverton, was a prominent visitor Wednesday.

Here is a woman who speaks from personal knowledge and long experience, viz, Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that excels it." For sale by all dealers.

Miss Edna Ruth McGinnis has been quite sick with fever this week, but is now some better.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was used the boy's cold was gone. Is that not better than to pay a five dollar doctor's bill? For sale by all dealers.

L. R. Adams, Dentist, will be in Columbia the first Monday in each month.

5 or 6 doses 666 will break any case of Chills and Fever; and if taken as a tonic the Fever will not return. Price 25c.

Mrs. Lou Waggoner has been quite ill this week, but we are glad to report that her condition is much better.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible. Here is a druggist's opinion: "I have sold Chamberlain's Cough Remedy for fifteen years," says Enos Lollar of Saratoga, Ind., "and consider it the best on the market." For sale by all dealers.

The new school building will be ready for delivery within the next few days. It is a splendid building and a credit to the community.

Paris, Tex., I, the undersigned, take pleasure in stating that I have used Cheatham's Chill Tonic, and a few doses broke a severe case of chills and fever on me about six weeks ago, and I have had none since. I consider it the best medicine for the purpose I ever used. Very truly,
 J. E. Kay.

The water supply of this place is getting limited. A number of our citizens, who depend upon their cisterns, are now hauling and packing water from their more fortunate neighbors.

The annual exhibit of work of the Boys' Corn Club and the Girls' Domestic Science Club will be held this year at Grayson, Oct. 26. Everybody invited. This event is the nearest thing the parish has to a parish fair, and if the exhibits are as good this year as they were last, they will be worth seeing.

A Log on the Track
 of the fast express means serious trouble ahead if not removed, so does loss of appetite. It means lack of vitality, loss of strength and nerve weakness. If appetite fails, take Electric Bitters quickly to overcome the cause by toning up the stomach and curing the indigestion. Michael Hessheimer of Lincoln, Neb., had been sick over three years, but six bottles of Electric Bitters put him right on his feet again. They have helped thousands. They give pure blood, strong nerves, good digestion. Only 50 cents at all druggists.

Notice Masons!
 Bro. J. T. Lasley, Grand Lecturer, will be here Friday and Saturday, Oct. 18 and 19. All Masons are urged to attend.

Letter to Milkman

Columbia, La.

Dear Sir: There are several ways of cheating in milk. An old-fashioned way is to water it. Nobody waters it now. A better way is to take out the cream-rich milk with the cream taken out is as good as poor milk with its cream all in.

But we needn't go into particulars.

You don't rob your milk and your customers.

Paint is as easy as milk to cheat with. Good paint is as rare as good milk; for human nature is much the same in milkmen and paint men.

You are just and true with your milk; so are we with our paint. Devco lead-and-zinc is twice as good as mixed paints; There's twice as much butter in it.

r. J. T. Ladd, Cheraw, S. C., writes:

"When Mr Evans painted his house with Devco, he figured on how other paints covered and had enough left to paint three large rooms. He was so pleased that he used Devco on two other houses."

Yours truly
 F. W. Devco & Co

The contest case of C. P. Thornhill vs. Geo. Wear is being tried here this week. Judge W. M. Wallace, of Winnfield, presiding. The plaintiff is represented by Hundley & Hawthorn of Alexandria, O. M. Grisham of Winnfield, and G. L. Alford of this place. The defense is represented by Hudson, Potts & Bernstein of Monroe, and Milling of New Orleans. The case is attracting considerable interest, and the court room is filled with visitors. It will take the entire week to conclude the case.

Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Stand Ahead
 There is something about Hunt's Lightning Oil that no other liniment possesses. Others may be good, but it is surely the best. It does all you recommend it for, and more. For sprains, cuts, bruises, burns, aches and pains it has no equal on earth. It stands head on my medicine shelf. Very truly yours,
 T. J. Brownlow,
 Livingston, Tenn.

Itching Piles
 I want you to know how much good your Hunt's Cure has done me. I had suffered with itching piles fifteen years, and when I was traveling through Texas a man told me of your Hunt's Cure. I got a 50c box and it cured me.
