Pneumonia and Pleurisy

For over thirty years Hunt's Lightning Oil has been acknowledged to be a very quick relief when rubbed well on the chest. Many hundred letters testify to the benefit it has given others. Why not try it? All druggists, 25c and 50c bottles.

Died.

Monday evening, Jan. 27, 1913, Mrs. Mattie Baker Brown, beloved wife of John R. Brown, in the 56th year of her age.

Deceased was stricken here several weeks ago, and on Saturday, January 18, 1913, was carried to New Orleans for an operation where the best of medical skill could be obtained, but without avail.

Deceased was a faithful member of the Methodist Episcopal Church, South, a devoted wife and a loving and affectionate mother, and her influence for good will be ever present with those who knew her.

The funeral services were held at the Methodist church here, and were conducted by Rev. Thompson. Interment was made in Columbia cemetery.

Deceased is survived by a heartbroken husband, two daughters, Mrs. F. H. Mecom of Clarks, and Mrs. W. M. Walker and two sons of this town.

Lumba, Rheumatism and Chills

There is nothing that gives so quick benefit as Hunt's Lightning Oil. The very minute it is rubbed on the improvement is noticed. For over thirty years this liniment has been acknowledged to be the best for these troubles. Every druggist will recommend it. Price 25c and 50c per bottle.

District Court in Session.

District court has been in session here this week, Judge Geo. Wear presiding, and Attorney Richey representing the State. Several misdemeanor cases and a civil case have taken up the principal time of the court, except the murder case of the State vs. Son McBride, who was tried by jury and found guilty of murder without capital punishment.

How Foolish

To suffer from skin diseases (itch, eczema, ringworm, etc.) when one 50c box of "Hunt's Cure" is positively guaranteed to cure or your money promptly refunded. Every retail druggist in the state stands behind this guarantee. Ask your druggist and see the guarantee with each box. You don't risk anything in giving it a trial.

A plea that Confederate veterans be permitted to wear their old uniforms at the fiftieth anniversary celebration of the battle of Gettysburg next July was made by several of the Southern States at a session of a conference recently held in Philadelphia composed of the members of the state and congressional commissions having the affair in charge. It was stated that the Confederate veterans are overwhelmingly in favor of wearing their uniforms at the celebration. In this country a man wears what he pleases and a mistake was made by the veterans in asking any body of men what they should wear. Let them put on their old gray uniforms if they so desire, attend the celebration and "lick" the first man who says he doesn't like the style.

Here is a remedy that will cure your cold. Why waste time and money experimenting when you can get a preparation that has won a world-wide reputation by its cures of this disease and can always be depended upon? It is taken everywhere as Chamberlain's Cough Remedy, and is a medicine of real merit. For sale by all dealers.

The new year will not be far advanced before President Wilson will indicate the selection of his Cabinet. The list of names proposed is an exceptionally long one, and many of the country's ablest Democrats have been suggested. Of course, the President's appointments will neither be anticipated nor influenced, but if Mr. Bryan should be offered and should accept the Secretary of State portfolio the country will hail with delight the official coming of the great Nebraskan.

The Arcadia Argus says:

"There is no greater menace to American liberty than the mob spirit. Louisiana comes in for a large share of mob violence in the past year, many of her citizens taking the laws in their own hands, instead of leaving them for our courts to settle. A bad example, indeed, to the youth of our country, who look to the older heads for guidance." While Louisiana citizens in some instances took the law in their own hands, recently published statistics showed that Louisiana was far down the list in the number of lynchings and occasions when citizens took the law in their own hands.
