

# FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped By Common Sense Suggestions.

Women suffering from any form of female ills are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; thus has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

### His Past.

A benevolent lady was feeding a hungry tramp. She expressed her disfavor at his wandering, idle life. "I was not always in this condition, mum," said the tramp. "I came from a good family." "You did?" said the lady. "Might I ask your name?" "Blankleigh," replied the tramp. "Why, that is the name of the people that live next door!" exclaimed the lady. "I know it," replied the tramp. "They kicked me downstairs just before I came here!"

### SAGE TEA AND SULPHUR DARKENS YOUR GRAY HAIR

Look Years Younger! Try Grandma's Recipe of Sage and Sulphur and Nobody Will Know.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Hair Remedy." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—Adv.

# INTERNATIONAL SUNDAY SCHOOL LESSON

(By E. O. SELLERS, Director of Evening Department, The Moody Bible Institute, Chicago.)

## LESSON FOR MARCH 8 WATCHFULNESS.

(Temperance Lesson.)  
LESSON TEXT—"Luke 12:35-48."  
GOLDEN TEXT—"Blessed are those servants whom the Lord when he cometh shall find watching."—Luke 12:37.

The words of Jesus are the greatest authority the believer has upon which to found his belief in the Second Coming. Some refuse to have much to do with this important theme because others have perverted it or else "overly emphasized it" yet in the 260 chapters in the New Testament there are 318 distinct references to this theme, a far greater proportion than is placed upon some of the doctrines upon which whole denominations have been founded.

### Relative Value.

I. The exhortation to watch, vv. 35-40. This is the beginning of a new paragraph. Jesus has been showing the relative value of material possessions and the Kingdom of God and epitomizes his teaching in v. 34. He now sets before his disciples what shall their attitude towards him during his absence (II. Pet. 3:11, 12 R. V., Titus 2:13; II. Tim. 4:8). Thus to be watchful seems to contradict his suggestions about anxiety. We need to remember, however, that the child of the Kingdom is in entirely new relationship with the world. His desire is not for self enrichment but rather to be in such relations with God as his rights demand and thus to bring to others their highest good. This parable epitomizes opportunity. Rightly to make use of none's opportunities spells happiness for the disciple when he the king shall appear. The evidence that we are watching for his appearing consists of the readiness of the individual who is or is not watching, v. 35; I. Pet. 1:13. Jesus knocks at the individual heart (Rev. 3:20) but when he comes 'twill be to be present at a feast, v. 36. We cannot contract this time and there is no call to service tomorrow. Lions fight, ready for the battle or for the race, and lamps burning, (light is always the result of something being consumed), are today's visible evidence of continuous service.

### Peter's Question.

II. The explanation to Peter, vv. 41-48. Between this parable and the one which follows, Peter interrupts by asking the question, "Lord, speakest thou this parable unto us, or even unto all?" That which follows is his answer to that question but it is also a continuance of the teaching just given. In this part Jesus refers to stewards (bond-servants) that it is their supreme business to seek the Kingdom by selling in order to give. The one work of a servant is to give to the members of an household, each in due season his portion of the father's bountiful grace. John 21:15-17; I. Pet. 5:2; Jer. 3:15. There are many deceitful servants who first feed themselves, or feed only a portion of the household, or who feed chaff rather than bread, even the true bread of life, I. Pet. 2:2; 4:10, 11. Jesus teaches us that each bond-servant shall likewise be judged and that suddenly.

III. The exhortation. Jesus Christ here presents to us the fact that we shall all be judged. That the measure of our reward or of our punishment is dependent upon the measure of our knowledge and of our opportunity, James 4:17. To him to whom much is given, of him shall much be required. Our present responsibility is that of being ready for the coming of the King and of his Kingdom. The expression of that readiness is evidenced by our lives of service. There are of course many other phases of service not included in this parable, but our Lord is emphasizing opportunity, stewardship, service, watchfulness. In order to fulfill our service we must enter into fellowship with the king in his reign, and those who enter into that fellowship, who are faithful, he will reward vv. 37, 43. The measure of our punishment is conditioned upon the measure of our knowledge (v. 48) and our knowledge can be enlarged as we use our opportunities.

IV. The Golden Text, (v. 37). Is intended to fix our attention upon the acts of our Lord when he shall return. It seems astonishing that he shall compel those whom he finds watching to seat themselves that he may gird himself and serve them. Here we gird ourselves that we may serve him by serving others (Matt. 25:40). But in that tomorrow the day of his victory, he will gird himself and serve those who have been watchfulness and obedient servants. This is a suggestion of the exceeding grace mentioned by the Apostle Paul, Rom. 11:33.

V. The Temperance Lesson is suggested by the conduct of those who are not watching for the King's appearing (v. 45). They were indulging in the animal pleasures of the moment. The Kingdom of God is not in eating and drinking but consists of righteousness and peace and joy in the Holy Spirit, Rom. 14:17. The effect of intemperance on the death rates, on the next generation, from an economic standpoint or viewed from any angle, is only the result of the most criminal shortsightedness. A clear apprehension of the fact of the imminence of his return would change all lives.

### DEEP CRACKS ON JOINTS

P. O. Box 378, El Paso, Texas.—"My trouble began December, 1911. It commenced on me by causing a scurf-like skin and my toe joints, finger joints and lips commenced to crack and split open. My finger cracks would bleed all day long; the cracks were very deep and my thumb seemed to be cracked to the bone. My hands were so bad that I had to sleep with gloves on. The cracks in my lips would bleed often during the day and I used to put adhesive plaster across them to try to keep them closed. My toes would bleed, and I would find blood in my socks when the day's work was done. The skin around the cracks was red and inflamed. I wore shoes one size too large on account of my feet being so sore. I used to become frantic with pain at times. My hands and feet used to smart.

"I suffered agony for four months. I went to town and got some Cuticura Soap and Ointment. From the time I commenced with the Cuticura Soap and Ointment until completely cured was just nineteen days." (Signed) Jack Harrison, Nov. 19, 1912. Cuticura Soap and Ointment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. L, Boston."—Adv.

### Had the Rudiments.

Youthful human nature is much the same the world over. Here is the story told of the eleven-year-old son of a Philippine head-hunter, recently brought to San Francisco by a returning missionary. The boy, being introduced to some friends of his guardian, remarked that he knew much about the United States, and understood baseball—although he called it "miki fula."

"So you know baseball?" one questioner remarked. "What do you call the umpire?"

The boy hesitated, and the missionary encouraged him.

"Tell the gentleman what you call the umpire, my boy!"

"Thief, sometimes, but robber mostly," was the unexpected reply.

### WHEN KIDNEYS ACT BAD TAKE GLASS OF SALTS

Eat Less Meat If Kidneys Hurt or You Have Backache or Bladder Misery—Meat Forms Uric Acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

### Rebutting a Libel.

John D. Rockefeller, talking to a Cleveland clergyman, said one day, with a whimsical but rather sad smile:

"From the stories that are told about my love of money and my disregard for humanity you'd think I was some such monster as the criminal of the anecdote.

"A judge once said to a terrible criminal: "And you actually had the heart to murder this poor man for a matter of 50 cents!"

"Well, your honor," said the criminal, with an injured-innocence air, "well, your honor, what do you expect? Fifty cents here and fifty cents there—it soon mounts up."

# Feel All Used Up?

Ever feel that you can go no further—that you must have rest for that lame and aching back—relief from that constant, dead-tired feeling?

Have you suspected your kidneys? Kidney disease shows itself in back-ache, nervous troubles and disorders of the kidney secretions. If tired, worried, lame, rheumatic, dizzy and nervous don't let a possible weakness of the kidneys escape attention until it turns into a case of gravel, dropsy or Bright's disease.

Sick kidneys go from bad to worse. Their useful work of filtering the blood is only partly done. Poisons that should be passed out with the kidney secretions are held in the blood, circulating freely, attacking muscles, nerves and vital organs. The kidneys inflame, swell and throb, and that is the cause of sharp pains in the back, or that dull, constant heavy ache.

For quick help use Doan's Kidney Pills. No other kidney remedy is used and recommended so generally. Take them when you feel the first bad backache, or see the first disturbance of the kidney secretions. Doan's have

### DOCTORS' TREATMENT FAILED

Colorado Man Tells a Story of Awful Suffering.

L. M. Drake, 232 East St., Denver, Colo., says: "I was so bad with kidney complaint that I thought I was going to die. My feet were terribly swollen and I couldn't wear my shoes. My limbs ached too and my heart wasn't just right. I often had to gasp for breath. For months I couldn't work and I couldn't hobble a book without aching down to rest. For several days there wouldn't be a free hour of the day. My feet and the passages were terribly swelling. Doctors didn't help me and one remedy after another failed. A private note me to use Doan's Kidney Pills and the first box brought wonderful relief. The kidney secretions got all right and the swelling went down. In a short time I went back to work in good health. Doan's Kidney Pills alone cured me and the cure has been permanent. I hope that other kidney sufferers will read about my experience and give Doan's Kidney Pills a trial."
