

**PERSONAL AND OTHERWISE**

Dr. Harper of Standard is the guest of W. C. Welch.

Miss Zudie Jones paid Monroe a visit last Saturday, returning that evening.

R. A. Vincent of Kelly was in town Monday and paid our office a business visit.

J. B. Thornhill of Monroe was among the visitors to Columbia Wednesday of last week.

Mrs. J. E. Daniel is spending this week with old friends at Vixen.

Miss Marion Thornhill spent Saturday night and Sunday at Clarks with her friend, Miss Robinson.

**FOR SALE**—White Plymouth Rock cockerals, Fishel strain, at \$3 each. Mrs. J. M. Bennett, Riverton, La.

Dr. and Mrs. S. H. Brown and Mr. and Mrs. W. E. Godfrey spent Sunday in Winsboro with the latter's daughter, Miss O'Ine Godfrey.

T. A. Wyatt of Clarks was a business visitor to Columbia Monday and paid this office a business visit.

Quite a crowd of Grayson's citizens were in Columbia Monday and Tuesday of this week in attendance upon court that has been in session this week.

S. M. Taylor of Vixen was a pleasant caller at our office on Wednesday last. The editor enjoyed a short talk with him and found that he is among the progressive citizens of his section.

Messrs Hanna and W. and H. Shelton of Winsboro were among Sunday's visitors. They returned that afternoon in company with the latter's sister, Miss Norma Shelton, who has been the guest of Mrs. W. B. Mask for the past two weeks.

I. D. Meredith, a prosperous farmer of near Grayson, says that it is hard enough for him to milk a cow with one calf, but now he will have to rope two of them off to enable him to milk the old cow, who, on Thursday of last week brought in twin calves.

Miss Jessie Daniel, who is now in attendance at the State Normal, writes that she is having a very pleasant term's work and is looking forward to the Christmas holidays with delight, for it is then that she can be home with relatives and friends.

The School Improvement League met at the school building last Thursday and elected the following officers for this year: Mrs. J. J. Meredith, Pres.; Mrs. R. R. Redditt, V-Pres.; Miss Crissie Davis, Sec.; Mrs. Monroe Jarrell, Treas. This organization will mean much for the school and plans have been made that will be perfected this year.

Among the social events of last week, was the dinner given at the home of Mr. W. C. Welch by Mrs. W. B. Mask, on Friday in honor of the faculty of the Columbia High School. The table was exquisitely decorated with cut flowers. In the center of the table was a large vase of beautiful chrysanthemums and roses, artistically arranged by Mrs. Mask. When dinner was pronounced, the guests were escorted to the dining room where one of the most tempting spreads was served by the hostess and enjoyed by all present. Those to enjoy this magnificent dinner were: Misses Zudie Jones, Marion Thornhill, Katie Walker, Eloise Herndon, Crissie Davis, and Prof. B. H. Redditt. Mr. and Mrs. W. B. Mask and Mr. W. C. Welch.

One of the most successful revivals of religion ever known in the history of the Beouf River Methodist Church closed last Sunday with the addition of thirty one new members. This makes nearly fifty new members as a result of this year's work.

Rev. J. M. Alford is rejoicing over his success out there, and at Columbia in recent revival efforts. The preaching was done by the pastor, and large crowds were in attendance at every service. This has been a great year of constructive work on the entire Columbia charge. Two hundred members have been registered with the prospects of several more by the end of the year. The annual conference will be held in Shreveport in December and it is the wish of all that Rev. Alford be returned another year.

A piece of detective work was demonstrated last Saturday night by Sheriff Godfrey, when he recaptured Dave Reynolds, the prisoner who sawed his way out of jail about a month ago. Reynold has been on the dodge every since he effected his liberty, but Sheriff Godfrey has been sleeping with one eye open and on Saturday night Reynolds father's home was visited by the sheriff in company with his deputies, and there they found Reynold and placed him under arrest for the second time. He was brought back to Columbia that night and placed behind the bars where he was kept until Tuesday when he was transferred to serve his sentence of two years, by Judge Wear, in the penitentiary at Baton Rouge. Reynold's case is fresh in the memory of our readers, so it would be useless for us to repeat what we have already mentioned about it.

**Grayson Wins Over Georgetown**

In the opening game of the season Saturday, the home team was victorious, 24 to 21. Both teams put up a good fight all the way through. It seemed a victory for the local boys by a large score until the last eight minutes of play when Grayson awoke and began to play. The game was the best that has been played on the Grayson grounds. Thanks to those who came out to see the game.

The results of a crap game that was being played between two negroes, Ed Newson, the other negro is unknown, and Sam Holland, a white man, at Riverton last Thursday night, are that the unknown negro is dead and the white man is shot in the head, but not desperately so. Ed Newson is at large and has not been heard of since. As near as we can gather the facts is that the negroes had won a sum of money from the white man and in some way a quarrel ensued and the results are as above stated. It is not known who did the shooting. Sheriff Godfrey was immediately notified and in a short time was on the scene, but no arrest was made. The one that is thought to have done the shooting had fled. The white man was found lying on the floor with wounds in his face. It was thought to be serious, but after carrying him to his father's home the doctor pronounced that Holland wounds were painful but not dangerous. Sheriff Godfrey then made an attempt to capture the fleeing negro, but no clue could be obtained. The search then was given up and the Sheriff and his deputies returned home about three o'clock Friday morning. On Saturday morning Sheriff Godfrey made the second trip to the scene, at which time he was prompted that the white man is thought to have fired the shot that killed the unknown negro and also firing at Newsom, who turned and fired return shots, hitting Holland in the face. A visit was made then to Holland's home and upon inquiring for him his father told them he had gone to Bosco to see a doctor there. A quick run in an automobile was made to Bosco, but Holland had not been seen. Sheriff Godfrey then kept the wires hot to Monroe and Shreveport and it was not long before he received the news that Holland had been captured in Shreveport and was in jail awaiting his coming after him.

**Card of Thanks**

To the good people of Columbia, I wish to thank each and every one in behalf of myself and family, for the kindness shown us when misfortune fell upon us, on the morning of Oct., 30th, by losing our home by fire. We were without a home, but the good people enlightened our burden and comforted us, with extended arms and open doors to make their home our home. To the good people of Columbia we again express to each one our everlasting gratitude and appreciation and may God ever bless and prosper all.

Dr. S. H. Brown and Family.

A. C. Cloyd and son, Maurice, and W. A. Ferguson of Grayson were found guilty, last Tuesday, of violating the prohibition law. Judge Wear deferred passing sentence until Thursday afternoon, at which time he fined each \$200 and cost of court and in default of payment of the fine each must serve six months in jail.

The members of the newly organized Epworth League met at the Methodist Church last Friday night and elected the following officers: Miss Zudie Jones, President; H. A. Turner, Devotional, 1st V-President; Mrs. A. B. Swift, Help and Mercy, 2nd V-President; B. H. Redditt, Literary, 3rd V-President; Miss Katie Walker, Missionary, 4th V-President; Mrs. S. P. Walker Secretary-Treasurer.

Devotional services will be held every Friday night. Every second Sunday night, Literary and on every fourth Sunday night, Missionary.

We are glad to state that much interest is being taken in the League and great benefit will be derived from it. Besides the election of officers, the regular program was carried out last Friday night. The leader, Mr. B. D. Woods, selected for his subject, "The root of murder," and had several of the Leaguers to make a talk on this subject. He made things instructive, having the three roots drawn, for the illustrations, that leads to murder, namely, Anger, Self-Conceit and Self-Indulgence. Mr. Woods made a good, instructive leader and will be a big help towards the success of the League, by his co-operation with our ever ready and energetic President, who is at all times working in the interest of the good cause.

The next meeting will be to-night and all members are expected to be present and bring your friends and get them to be come a member of the League. Every body invited.

**Called Higher**

Leota Grant was promoted to her Home on High Oct. 29th, 1914. Her age was eight years, 2 months and eleven days. She was the daughter of Mr. and Mrs. R. N. Grant of Clarks. The funeral services were conducted by Rev. Mr. Howard. The singing was principally by the forty-four children with whom she was directly associated in school. Her sincerity and her devotion to her many friends was very beautiful.

O, not in cruelty, not in wrath,  
The Reaper came that day;  
'Twas an angel visited the green earth  
And took the flower away.

"I had occasion to call our doctor not two hours after my telephone was connected with your exchange. My mother, who is very old, fell down the door steps and broke her arm, and I called the doctor. He was at my house before I could have gone to his residence, as he has an automobile.  
"We would not be without our telephone for more than it costs and appreciate the assistance you rendered us."
