

Woodrow Wilson

DEMOCRATS NAME WILSON-MARSHALL BY ACCLAMATION

President and Vice President Unanimous Choice of St. Louis Convention.

NAMED AFTER SERIES OF DEMONSTRATIONS

William Jennings Bryan Addresses Delegates, Praising Chief Executive—Ticket Named at Night Session—Story of the Big Political Gathering.

St. Louis.—In the presence of a cheering, song singing crowd of 12,000 that packed the Coliseum to its capacity and left a surging, tumultuous mob of disappointed ticketholders outside, Woodrow Wilson was renominated for president of the United States by acclamation at 11:50 o'clock, Thursday night.

At 11:55 o'clock Vice President Thomas Riley Marshall was renominated by acclamation.

Thus, by five minutes, did the Democrats escape the dreaded hoodoo of a ticket named on Friday.

There followed some speeches. Then at 12:31 a. m. the convention adjourned until eleven o'clock Friday morning for action on the platform.

Give Display of Unity.

It was after a series of demonstrations of enthusiasm and party unity lasting nearly three hours and emphasized by the appearance of William Jennings Bryan on the stand as a speaker, that Senator Hughes of New Jersey, interrupting the speeches seconding the nomination of President Wilson, moved that the selection of

President Wilson Making an Address.

the candidate be made by acclamation. "Senator Hughes moves that the rules be suspended and the nomination made by acclamation," bawled Chairman James above the tumult.

We was about to put the motion when a man rushed down the aisle with upraised monitory forefinger and the uplifted voice of protest. It was "Bobby" Burke of Chicago, elected Illinois delegate at large as an anti-Wilson man

the center aisle. "For Woodrow Wilson—Peace, Prosperity and Preparedness," it reads.

With about 8,000 seats in the hall here are surely 13,000 people in the building.

"Cheer, Cheer, the Gang's All Here" starts a new gale of singing. Now it is "Maryland," the clear voices of women leading the chorus. A pretty young woman carries the banner of California. Senator Hughes of New Jersey mounts the speaker's stand, and, waving a cane, proposes three cheers for Wilson. They are lost in the general uproar. The demonstration has been under way for 20 minutes.

Stir Over Suffrage Colors.

At 11:20 p. m., 32 minutes after the demonstration had started, a yellow suffrage umbrella was hoisted over the head of Congressman Hedin of Alabama who was still holding the gavel temporarily. This served to rouse the enthusiasm.

Two Nebraska delegates leaped into the middle of the New York delegation, sitting tight in its chairs, and urged Murphy and the Tammany braves to get happy. Former Governor Glynn and a few others got on their chairs, Murphy didn't move a muscle.

A handsome woman in full evening dress waved the South Carolina flag from the speakers' stand, while the band played "Dixie."

The band quit playing at 11:30. Two minutes afterward it starts all over again and then Chairman James begins to pound for order. The demonstration has lasted 45 minutes.

After a couple of brief seconding speeches, the nomination of Mr. Wilson was rushed through.

Glynn is the Keynote.

In a high gay with flags and bunting and with pictures of party leaders, past and present, looking down upon them from medallions around the balcony, the delegates to the Democratic national convention assembled on scheduled time Wednesday. The proceedings were formally started when William F. McCombs, chairman of the national committee, ascended the platform and tapped for order. He incited the first burst of enthusiasm of the convention when, in a short address introducing the temporary chairman, he predicted victory for the party in the fall.

The keynote speech was delivered by former Gov. Martin H. Glynn of New York, the temporary chairman. He was frequently interrupted by applause when some point in his speech stirred the enthusiasm of the delegates. His eulogy of President Wilson started the biggest demonstration of the day. Following Governor Glynn's speech, committees on credentials, permanent organization, rules, and resolutions were announced, and that day's work was done.

James Permanent Chairman.

The delegates were a little slow in assembling for Thursday's session, and it was almost noon when Temporary

Chairman Glynn called the convention to order. Permanent Chairman Ollie James was escorted to the chair and introduced. He immediately launched into his address. He lauded the president and defended his policies, particularly in regard to the controversy with Germany over the submarine warfare and our relations with Mexico. An enthusiastic demonstration greeted his praise of President Wilson, which lasted more than twenty minutes. At the close of Chairman James' speech the convention took a recess until nine o'clock in the evening.

Before the nominating speeches began at the evening session the Democrats indulged in a love feast in which the advent of harmony in their ranks was celebrated. The leader of this demonstration of good will was William Jennings Bryan.

Wilson Praised by Bryan.

Mr. Bryan was cheered enthusiastically as he entered the press section at 8 o'clock. A few minutes later, with Mrs. Bryan shortly after upon the motion of Senator Thompson

of Kansas, the convention suspended the rules amid tumultuous good feeling and invited Mr. Bryan to the rostrum. A committee conducted Mr. Bryan amid wild cheering to the side of Chairman James.

Mr. Bryan launched into a speech lauding the administration of the president.

Following Mr. Bryan's address the convention got down to the real business for which it had been convened and the renomination of President Wilson and Vice President Marshall was quickly put through as related above. The convention took a recess until eleven o'clock Friday morning, when the report of the committee on resolutions was presented and the platform was adopted with little discussion and practically no opposition.

Adopt Americanism Plank.

Condemnation of the activities of all persons, groups and organizations in the United States that conspire to advance the interests of a foreign power are contained in the Americanism plank of the Democratic platform adopted.

"We charge," the plank declares, "that such conspiracies among a num-

ber exist and have been instigated for the purpose of advancing the interests of foreign countries to the prejudice and detriment of our own country."

Through preparedness on land and sea against unexpected invasion and the joining of the United States with other nations to "assist the world in securing settled peace and justice" also were urged in other planks adopted.

A suffrage plank similar to that adopted by the Republican convention, endorsing the issue but leaving its adoption or rejection to the individual states, was adopted.

"We recommend," the plank reads, "the extension of the franchise to the women of the country by the states upon the same terms as men."

The Only Difference.

First Landlady—I manage to keep my boarders longer than you do.

Second Landlady—O. I don't know. You keep them so thin that they look longer than they really are.—Path finder.

UGH! CALOMEL MAKES YOU SICK! CLEAN LIVER AND BOWELS MY WAY

Just Once! Try "Dodson's Liver Tone" When Bilious, Constipated, Headachy—Don't Lose a Day's Work.

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel, because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver, which causes necrosis of the bones. Calomel crashes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping.

Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver Tone. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tone is real liver medicine. You'll know it next morning, because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and your bowels regular.

Dodson's Liver Tone is entirely vegetable, therefore harmless and cannot salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of calomel is almost stopped entirely here.—Adv.

"Yes," said the deacon, "but it should be remembered that there was enough to go around. I don't remember hearing of anybody who didn't receive his share of the inheritance."

Flag for Old Vincennes. The city council of Vincennes, Ind., is considering the adoption of a flag for Vincennes to be used as the city's official emblem during the coming Indiana centennial celebration, says the Indianapolis News.

The suggested design is intended to set forth the British rule of Vincennes by an old English red "V" in the blue center and the French control by a white fleur-de-lis, which was the national emblem of France during the time this territory was under the French government.

Radiating from the center there are 18 white stripes, indicating that Indiana was the 18th state admitted to the Union. There also are 48 small white stripes, indicating the number of states now in the Union.
