Practical Sports Clothes Have Been Designed by the Leading Parisian Modistes, of Which This Skating Suit Is a Sample—Bridesmaids' Hats That Have the Sanction of Recognized Leaders of Fashion.

There are plenty of practical sports clothes for those who really take part in winter pastimes, and there are just as many sports clothes de luxe for those who dress with an eye to placing themselves in harmony with their environment. These are made to be looked at and are marvels of adaptation of exquisite materials to sports styles.

A skating suit, shown in the picture, is made for real service. It is a middy blouse of a special knitted material in Scotch colorings, trimmed with a plain knitted material. The plain trimming matches the predominant color in the middy, and the skirt is made of the same plain cloth.

For real utility sports clothes, soft, lightweight but warm materials, like

with tassels of vari-colored worsteds. Any month in the year is the best of months for a wedding—if the bride chooses it. An Indian summer setting, or a snowed little world as a background, may seem a happier choice than June when all the details of the great event show a reckoning with the season.

In the three hats shown in the illustration prevailing styles in picturesque millinery give the bride a choice for herself or for her maids, that cannot go wrong. Each one of them represents a type recognized as appropriate in any season. The largest hat with wide, graceful brim, is of light gray velvet faced with pale rose satin. The ever-present metallic touch appears in the lining of silver cord across the

jersey and camel's-hair cloth, are most satisfactory. The sweater goes without saying as the most important feature in the sports outfit, and some of the smartest ones have wide belts, while practically all of them have pockets. Matched sets include sweater, cap, and scarf to match, or sets of hat, scarf and bag, or cap, scarf and muff. The convertible scarf is something new, in a long scarf which may be made into scarf and cap in one. All sorts of sets are trimmed with heavy yarns and worsteds in contrasting colors.

and in a heavier cord of silver on the brim. Large, full-blown metallic roses, in pale rose color, harmonize beautifully with the gray velvet and silver cord, for they have a sheen of silver over their color. If the best man, or some other good fellow, is not made captive by those rose-adorned ropes of silver he is a hardened and hopeless bachelor.

Next appears an enticing poke bonnet, covered with olive green velvet. It has a soft puffed crown and a brim cut away at the back. There is a collar of gold ribbon finished with a bow, at the back. On the front a little basket is outlined in gold thread, filled with tiny gay-colored silk flowers, set flat against the collar. A similar model trimmed with narrower ribbon tie-

PRETTY HATS FOR BRIDESMAIDS.

The heavy yarn is used for overcasting seams and edges and for tassels which finish the scarf ends and decorate the cap and bag.

These yarns are used in the same way on hats and bags of silk for sports wear. One of the handsomest novelties is a set of hat and bag of blue silk lined with gold. Blue and gold yarn overcasts all the seams in the bag and in the crown of the hat. The tassels, of the same yarns, are fastened to the top of the hat and the bottom of the bag with snap fasteners, and may be removed so that the set may be worn either side out. Mustard-colored fabrics look particularly well

in a simple bow at the front is a shade more demure. It was worn at a morning wedding by a maid in a redingote dress of olive velvet carrying a big bouquet of yellow chrysanthemums. No man beholding it could call his soul his own.

The third hat is a shape of the hour made of light-colored panne velvet with an extension border of chiffon about the brim. Picot-edged ribbon and a brilliant fancy feather herald it as strictly up to date.

# STOP CALOMEL! TAKE DODSON'S LIVER TONE

New Discovery! Takes Place of Dangerous Calomel—It Puts Your Liver To Work Without Making You Sick—Eat Anything—It Can Not Salivate—Don't Lose a Day's Work!

I discovered a vegetable compound that does the work of dangerous, sickening calomel and I want every reader of this paper to try a bottle and if it doesn't straighten you up better and quicker than salivating calomel just go back to the store and get your money.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your thirty feet of bowels of the sour bile and constipation poison which is clogging your system and making you feel miserable.

I guarantee that one spoonful of this harmless liquid liver medicine will relieve the headache, biliousness, coated tongue, ague, malaria, sour stomach or any other distress caused by a torpid liver as quickly as a dose of vile, nauseating calomel, besides it will not make you sick or keep you from

a day's work. I want to see a bottle of this wonderful liver medicine in every home here.

Calomel is poison—it's mercury—it attacks the bones, often causing rheumatism. Calomel is dangerous. It sickens—while my Dodson's Liver Tone is safe, pleasant and harmless. Eat anything afterwards, because it can not salivate. Give it to the children because it doesn't upset the stomach or shock the liver. Take a spoonful tonight and wake up feeling fine and ready for a full day's work.

Get a bottle! Try it! If it doesn't do exactly what I say, tell your dealer to hand your money back. Every druggist and store keeper here knows me and knows of my wonderful discovery of a vegetable medicine that takes the place of dangerous calomel.—Adv.

## Don't Neglect Kidneys

**Swamp-Root, Dr. Kilmer's Prescription, Overcomes Kidney Trouble**

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

The kidneys should receive some assistance when needed. We take less exercise, drink less water and often eat more rich, heavy food, thereby forcing the kidneys to do more work than nature intended. Evidence of kidney trouble, such as lame back, annoying bladder troubles, smarting or burning, brick-dust or sediment, sallow complexion, rheumatism, maybe weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root. There is nothing else like it. It is Dr. Kilmer's prescription used in private practice and it is sure to benefit you. Get a bottle from your druggist.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper. Adv.

## Uric Acid Poisoning? A PROMINENT SHAWNEE WOMAN

The most eminent physicians recognize that uric acid stored up in the system is the cause of rheumatism, that this uric acid poison is present in the joints, muscles, or nerves. By experimenting and analysis at the Invalids' Hotel and Surgical Institute in Buffalo, N. Y., Dr. Pierce discovered a combination of native remedies that he called Anuric—which drives out the uric acid from the system, and in this way the pain, swelling and inflammation subside. If you are a sufferer from rheumatism, backache, pains here or there, you can obtain Anuric at any drug store and get relief from the pains and ills brought about by uric acid; or send Dr. Pierce 10c for trial pkg. Anuric which you will find many times more potent than lithia.

There is nothing like "Prescription" for eliminating uric acid as hot water melts sugar. A short trial will convince you.

Shawnee, Okla.—"I feel as if I could not speak too highly of Dr. Pierce's Favorite Prescription and Golden Medical Discovery and also the Lotion Tablets; they have been invaluable to me. After my last child came I did not recover my health. I was very poor, very nervous, also had hemorrhage of the lungs and was so thin I weighed only 100 pounds. After taking the 'Favorite Prescription' and 'Medical Discovery' I was completely cured and gained in weight until I weighed 150 pounds, that being the most I had ever weighed. I think there is nothing like 'Prescription' for weak women."—MRS. E. E. SOULES, 631 N. Bell St.—Adv.
