Gifts from Winsberg's Convey A Spirit of Thoughtfulness and Good Will

PEOPLE show their Christmas Spirit in many ways: With Holly wreaths and Mistletoe; the giving of presents; family dinners; and equally well in the clothes they wear. If you ask any of the men of your family what would they like as a Christmas present, they'd say something to wear; something that will not only convey your spirit of good will, but which will also be useful. This Store is exclusively a Men's and Boys' Store, and you can surely find an appropriate gift here. What more appreciable gift for father, husband or brother than a—

OUR HABDASHERY STOCK IS BRIMFUL OF PRETTY THINGS FOR THIS JOYOUS SEASON

It has become a custom to give men articles of Haberdashery for Xmas—a shirt, a pair of socks, a belt, a handkerchief, etc., and a good custom it is, for if taste is used in the selection the receiver will be enthused with the remembrance. Winsberg's has always led in the Haberdashery field, and this season our stocks justify this position.

There's Manhattan silk and Madras Shirts—beautiful wide stripes and figures; the choicest silk, Japanese and French. Then the conservative Madras designs for the older men. You must see this stock to appreciate its scope.

Notaseme Hosiery; Hansen Gloves; Kling-made Sweaters and Bath Robes; Cheney Cravats; Cheney Mufflers; Cooper's Underwear, complete the finest stock of Haberdashery ever shown in Opelousas.
