More of the Fontenot-Guillory Controversy—Mr. Fontenot Replies

Opelousas, La., Sept. 16th, 1910.
Mr. Editor: I see in your last is-
sue a letter from Mr. O. E. Guillory,
of Ville Platte, La., and in which he
accuses me of trying to side-step the
questions at issue in our controversy
over the proceeding of the Police
Jury of Evangeline at its first meet-
ing on Aug. 2, 1910.

A reference to the Clarion of Sep-
tember 3d, will convince any fair
minded person that it is Mr. Guillory
himself that seeks to side step. He
side steps so fast that it is difficult to
pin him down to anything definite.
He should pay less heed to the sense
of smell of the Clarion readers and
more to the correctness and truth-
fulness of his mean and contemptible
"hints." It is true that the primary
law says that the Parish should pay
commissioners and clerks of election,
etc., but Mr. G., who is very "apt" in
other respects, entirely forgets to
tell the Clarion readers that the
Parish of Evangeline is not now in
existence and has no funds to pay
anything, election claims or what not.
The Police Jury was acting under au-
thority of the State Democratic Com-
mittee which had directed that they
call the primary and that it be con-
ducted as near as possible under the
primary law. I have not as yet heard
any complaint from the State Com-
mittee. The Police Jury took the
view that the candidates should pay
the expenses, they were honest in
that opinion, and it comes with
mighty poor grace from Mr. O. E.
Guillory to question their motives.
The Democratic Committee of St.
Landry Parish assessed the candidates
\$200 in the last judicial election and
no one raised a murmur. It remained
for this "smart" Mr. G. to discover
that an election could be financed on
the sum of \$32.70. Perhaps, Mr.
Editor, it was the hard thinking that
this Mr. G. had to do in financing his
election that resulted in his "worry,
loss of sleep, disturbance of mind,"
etc., for which he asked to be paid
\$1000 in suit No. 18638 of the Civil
Docket of St. Landry Parish, entitled
"O. E. Guillory et al. vs. Dubuisson
et al."

In conclusion, Mr. Editor, I wish
to say that I know of no wrong doing
by the Police Jury of Evangeline, or
of any citizens trying to coerce the
Police Jury, and if Mr. Guillory has
any information to shew guilt on
some one he should come out with
it. If he means to charge any wrong
doing, or conspiracy, on my part, I
am compelled to denounce his asser-
tions as false and unfounded.

A GOOD POSITION

Can be had by ambitious young
men and ladies in the field of wireless
or railway telegraphy. Since the 8
hour law became effective, and since
the wireless companies are establish-
ing stations throughout the country,
there is a great shortage in tele-
graphers. Positions pay beginners
from \$70 to \$90 per month, with
good chance of advancement. The
National Telegraph Institute operates
six official institutes in America,
under supervision of railroad and
wireless officials, and places all grad-
uates into positions. It will pay you
to write them for full details at Mem-
phis, Tenn., or Columbia, S. C.
