

Christmas Reasons

For Buying Your Christmas Diamonds From

R. MORNHINVEG & SON

Because they buy direct from cutters.

Because they have had forty years experience as buyers.

Because they buy loose and mount at home—no chip under the prong.

Because they are responsible Jewelers and have the reputation of giving a square deal.

The diamond stock this year far surpasses past efforts consisting of brooches from \$10 to \$200; rings from \$10 to \$250; LaVallier necklaces from \$5 to \$40; bar pins \$20; cuff buttons \$3 to \$50; pins, watches etc.

They have stocked a beautiful line of Parisian Ivory in comb and brush, military, travelling dresser sets, picture frames, etc. Every piece of this Ivory bought from them is engraved and enameled free.

Handling the watch inspection for the Frisco railroad company has enabled them to surround their watch stock with the best movements that the railroad world demands. You, Mr. Layman have access to that line at the same price quoted to railroad men.

Visit their store in your Xmas shopping rounds and be assured of a welcome and a Merry Christmas card that goes with each package from their store
