### Young Women

Read what Cardui did for Miss Myria Engler, of Faribault, Minn. She says: "Let me tell you how much good Cardui has done me. As a young girl, I always had to suffer so much with all kind of pain. Sometimes, I was so weak that I could hardly stand on my feet. I got a bottle of Cardui, at the drug store, and as soon as I had taken a few doses, I began to feel better. Today, I feel as well as anyone can."

### TAKE The CARDUI Woman's Tonic

Are you a woman? Then you are subject to a large number of troubles and irregularities, peculiar to women, which, in time, often lead to more serious trouble. A tonic is needed to help you over the hard places, to relieve weakness, headache, and other unnecessary pains, the signs of weak nerves and over-work. For a tonic, take Cardui, the woman's tonic. You will never regret it, for it will certainly help you. Ask your druggist about it. He knows. He sells it.

Telephone service, linking together city and country and shore, is never more appreciated than during the summer months. While the business man is confined to his desk in the city, the telephone keeps him in touch with wife and family, though they may be many miles away, summering at some pleasant resort. During his own vacation the business man relies upon the telephone. He is free from care, for he knows that he can be reached at one by telephone should important matters require his attention. At the vacation home also, the telephone proves so convenient in arranging games and outings with friends and ordering supplies from the distant markets. All this is possible because Bell Telephone service is universal. **By the way, have you a telephone?** Cumberland Telephone & Telegraph Company. (INCORPORATED) Every Bell Telephone is a Long Distance Station.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. ### MORE SUGAR BEING USED.

Each person in the United States this year will have used about eighty-seven pounds of sugar, the per capita consumption of this article having increased from 80 pounds in 1910, 59 pounds in 1900 and 39.5 pounds in 1880, according to statistics gathered by the Bureau of Foreign and Domestic Commerce. The total sugar consumption this year will exceed 8,000,000,000 pounds, whereas in 1900 only 4,500,000,000 pounds were used. The cost of sugar to the consumer this year will approximate \$400,000,000, more than \$1,000,000 a day.

One-fourth of this sugar came from the United States proper; another fourth from Hawaii and Porto Rico, and the remainder from foreign countries, chiefly Cuba. A large increase in the production of beet sugar in this country this year is noted, 1,400,000,000 pounds having been raised, as against 1,000,000,000 in 1910 and less than half that amount in 1905.

### A Pleasant Face.

We pity the man or woman who always wears a scowl on their face. If they only knew how repugnant it is to every looker-on, and the remarks excited by the vinegary frowns of such individuals they would, at least, try to soften the abhorrent, repulsive appearances of their

### stolid faces.

Their nature must certainly be devoid of all kindly feeling, of all generous sociability, to manifest such harsh and cold lines in the features. Such people are an abomination to the happiness of home life, because their frigid looks and tyrannic silence crucifies every emotion of joy or pleasure in the household.

How different the pleasant, smiling face that springs from a heart warm with love and human sympathy. Such an one spreads sunshine and joy wherever he or she may go. Like a magnet, their gentle personality draws people to them, and their influence is a blessing to society. Which face does your mirror reflect back to you? Does your conduct repulse, or does it attract the love and esteem of others?—Rayne Tribune.

### Negroes Again in Fear

#### Of Deadly "Ax Man"

Estherwood, La., Dec. 23.—Negroes in this section are greatly excited over the expected appearance of the "axman." Alex Mills, a well-known negro of West Mermentau, near the new Jefferson Davis parish line, reported to the authorities that he found a letter sprinkled with blood at his front door, and in which was written: "Eat plenty of chicken, turkey and good things, because the time is coming when eleven more families must be killed as a sacrifice to the Lord." The warning was

### signed "The Axman."

Many blacks are afraid to go to sleep at night for fear of a repetition of the so-called murders.

Baton Rouge, Dec. 21.—One commutation and three pardons were made by Gov. Hall to convicts in the state penitentiary. All pardons were recommended by the State Board of Pardons.

Minnie Hopkins, of Tangipahoa parish, sent up in 1906 for fifteen years, on the charge of manslaughter, has been pardoned. James Robertson, of Orleans, sentenced in 1899 for manslaughter, was given his liberty. Grant Wilson of West Feliciana, who, in 1911, was convicted of manslaughter and given fifteen years, was released, and John Pilkington, who was sentenced from Rapides parish in 1908 for robbery, and given fourteen years, had his sentence commuted to six years, which gives him his release.

### Let Us Smile.

The thing that goes the farthest towards making life worth while, is just a pleasant smile. That costs the least and does the most, is just a pleasant smile. The smile that bubbles from a heart that loves its fellow men will drive away the cloud of gloom and coax the sun again. It's full of worth and goodness, too, with manly kindness bent; it's worth a million dollars, and it doesn't cost a cent.
