### RECEIVER'S SALE.

EDMOND DEVILLE

vs.

OPELOUSAS SUGAR COMPANY, LTD.

No. 19066, District Court, St. Landry Parish.

In Receivership, Opelousas Sugar Co., Ltd.

By virtue of a judgment of the Hon. B. H. Pavy, Judge of the Sixteenth Judicial District Court, of Louisiana, rendered on the day of August, 1913, in the above numbered and entitled suit, and pursuant to a commission to me directed by Henry Lastrapes, Clerk of said Court, and of same date, I will proceed to sell at public auction, to the last and highest bidder, at the principal front door of the Court House, in the City of Opelousas, La., on

**Tuesday, Sept. 23, 1913,**

at 11 o'clock a. m., the following property belonging to the Opelousas Sugar Company, Limited, to-wit:

FIRST.

A certain tract or parcel of land, situated in the Parish of St. Landry, La. about one and one-half miles southwest of the city of Opelousas, and described in an act of sale by B. Bennett to the Opelousas Sugar Company, Ltd., of date May 18, 1911, by act of sale before C. P. Dunbar, Notary Public, duly recorded in the Clerk's Office, Parish of St. Landry, May 22, 1911, viz:

Starting at a point on the continuation of section line between sections 67 and 68, township 6, south range 8 east, 2616 feet from the intersection of this line with the center line of the public road from Opelousas to Church Point, running north eighty-three degrees and thirty minutes east, a distance of 80.5 feet to a point on this section line between sections 57 and 58; thence south three degrees and no minutes east, a distance of 75.4 feet; thence south 83 degrees and 50 minutes west, a distance of 51.9 feet; thence in a northerly direction to a point of beginning, together with all the appurtenances connected with or forming part of the sugar refinery plant, situated upon said tract of land, saving and excepting the six roller mill, engine, chain carrier, crown wheels, which was sold to the company by Dr. W. A. Halliway and which has been ordered by judgment of court to be separately sold; and saving and excepting two return tubular boilers which were heretofore sold to the Albert Hanson Lumber Company, the dynamo sold to B. Bennett, and saving and excepting the building in which the sugar making machinery is located, and one acre of ground upon which said building is situated, which has been ordered to be separately sold by judgment of the court. The following comprise a list of the appurtenances which will be sold and adjudicated, together with the larger tract of land, namely:

- One deep well, piping, etc., complete.
- One Gowan Duplex water pump.
- One Blake water pump, 4 x 4.
- Three boiler feed pumps.
- Seven tanks, 5 x 2 x 14 feet.
- One tower tank 6 x 6.
- One tank 5 x 6 x 12.
- Three tanks, 2 x 2 x 10 feet.
- One tank, 100 gal. capacity.
- Lubricators, etc., for pumps.
- One crude oil feed arrangement, two small pumps, piping, also heater.
- One open heater for boiler.
- Two tubular boilers 72 x 20, 30, 67 tubes.
- One dinky boiler.
- Two smoke stacks, one 110 feet high and one 50 feet high.
- One blower and hollow blast bars.
- One revolving derrick, driven by single drum, double hoisting engine.

THIRD.

The building in which the plant is situated, together with the acre of land upon which it is situated.

Terms and Conditions.—The tract of twelve acres, together with all of the appurtenances situated thereon and connected with the sugar refinery, saving and excepting the property above mentioned as ordered to be separately sold, will be included in the adjudication to the highest bidder.

The property described under number three, namely: The building and ground upon which it is situated, will be separately sold for cash. The balance of the property will be sold for one-third of the purchase price payable in cash, and the balance payable in twelve months from date of sale, bearing 5 per cent per annum interest.

The purchaser of the larger tract with the appurtenances sold therewith, being required to execute his note secured by special mortgage and vendor's lien on the property sold to him, the note to bear 5 per cent per annum interest from date of sale, and to contract for the payment of attorney's fees in case they be incurred by the purchaser.

The purchaser of the six roller mill, engine, etc., will be required to give bond for the payment of the credit portion of the purchase price. Should the vendor of the mill, engine, etc., become the purchaser of the property upon which he claims the vendor's privilege, the bond to be executed by him, for the credit portion of the purchase price would be so conditioned as to obligate him to pay only such portion of the purchase price as might be adjudged by the court to be due by him as his legal contribution toward the payment of the legal costs and charges, should there not be sufficient funds for that purpose realized by the sale of other portions of the property.
