The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, Ohio.

## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Patron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

## French Market Coffee Is Never Sold in Bulk!

No one can offer you "bulk coffee" that is a satisfactory substitute for French Market Coffee.

In the first place, the blend of coffees that produce that rich, aromatic flavor peculiar to the genuine French Market Coffee is a secret of the French Market Mills.

In the second place, even if the right blend was known, it would be impossible to reproduce the old time French Market slow roast and grinding process only obtainable by the

splendid machinery of the French Market Mills.

In the third place, no one could reproduce the French Market process of packing coffee—untouched by human hands—in perfectly sealed cans. If the leading coffee experts in the world cannot pick out the best coffees until they are roasted and served in the cup, how can you, Madam, afford to buy coffee in bulk that's without any guarantee as to its quality. Let this coffee tell its own story. Serve French Market Coffee at every meal for several days. Be convinced by actual test that this is the best of all coffees.

**FRENCH MARKET MILLS**

**DIRECTIONS.**—We recommend that you make French Market Coffee in your usual way. If you find it too strong, reduce quantity until strength and flavor are satisfactory. French Market makes more cups of good coffee to the pound than other brands, thereby reducing your coffee bill. (113)
