LOCAL DRUGGIST MAKES A STATEMENT

We always advise people who have stomach or bowel trouble to see a doctor. But to those who do not wish to do this we will say: try the mixture of simple buckthorn bark, glycerine, etc., known as Adler-ka. This simple new remedy is so powerful that JUST ONE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY.

Lumbago-Sciatica Sprains

"The directions says, its good for lumbago too,—Sloan's cured my rheumatism; I've used it and I know." Do you use Sloan's?

Here's Proof. "I had my back hurt in the Boer War and two years ago I sprained my ankle and had to use crutches, and the doctors said I would always be lame. A friend advised me to try your Liniment and after using it night and morning for three months I could walk without a cane and run as good as any of the other fellows in my department. I have never been without a bottle since that time."

Instant Relief from Sciatica "I was kept in bed with sciatica since the first of February, but I had almost instant relief when I tried your Liniment."

Sprained Ankle "As a user of your Liniment for the last 15 years, I can say it is one of the best on the market. Fifteen years ago I sprained my ankle and had to use crutches, and the doctors said I would always be lame. A friend advised me to try your Liniment and after using it night and morning for three months I could walk without a cane and run as good as any of the other fellows in my department. I have never been without a bottle since that time."
