

College Notes.

On Saturday evening St. Charles College will stage its first football contest away from home and will have strong opponents, The Industrial Institute of Lafayette. So far over twenty lusty youths have been battling for a place on the firing line and the following have been selected to uphold the honors for old St. Charles: Caiennie, left end, Barrett, left tackle; Ross, left guard; Bonin, center; Barrileaux, right guard; Burleign, right tackle; Wallet, right end; Young, quarterback; Jos. Vandegaer, left half; Dunkelmann, fullback; J. Troy, right half with Barousse Savoy, Thompson, Jeanmard, Stafford, Mouton and del'Elglise as reserves.

St. Charles has an interesting and strenuous schedule, playing the strongest teams in this section. Following is the schedule: Oct. 31st, Industrial Institute at Lafayette.

Nov. 7th, New Iberia High at home.

Nov. 12th, Industrial Institute at home.

Nov. 26th, New Iberia High at New Iberia.

Nov. 28th, Louisiana College at Alexandria.

St. Charles is expected to put up a great fight this afternoon against the Lafayette boys as the team has been considerable strengthened since its last appearance. Although the odds are heavy against her it would not be at all surprising if the boys from Grand Coteau would come back with laurels.

Helps With the Lessons

At night when the children gather around the sitting-room table studying their lessons for the next day, the telephone often rings. A little neighbor a mile down the road wants help from his school-mates. Children as well as grown-ups get pleasure and profit from the farm telephone. Do you know how little this service costs and how valuable it is?

See the nearest Bell Telephone Manager or write for our free booklet. A postal will do.

Studebakers last a lifetime

A Studebaker wagon bought in 1868 — and working today

THREE generations of farmers have been well and faithfully served by a Studebaker Farm Wagon bought in 1868 by Mitcheal Everman of Centerville, Ia.

The grandson of the man who bought this Studebaker wagon writes: "There is not a crack in the hubs and I am using it every day." Let us prove to you that this is not an exceptional Studebaker wagon. Studebaker has thousands of letters telling about Studebaker wagons that have served their owners just as faithfully as the Everman wagon.

A visit to our store will convince you that the Studebaker Farm Wagons and Buggies we always have in stock are just as reliable—just as well built—as the Studebaker Vehicles of half a century ago. Come and see us when you need a wagon or harness.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.
