In order to defeat Jenkins, McBride had to beat the world's record, thus placing the St. Landry boy in the category of the world's famous track men.

MISSIONARY NOTES

By the Society

There comes to us, the favored, cherished American women and children, from the missionary society an appeal in behalf of the mothers of other lands who do not know Jesus Christ as their personal Savior. These have been denied the dignity and worth of womanhood and the place and power it should have in society and the home. They are sitting in the shadow of superstition, enduring the most degrading social and domestic burdens, which only the saving influence of his blessed teachings can dispel.

The appeal, furthermore, is in behalf of the women of our own land who are crushed with the burden of industrial conditions; and those mothers who have so recently come to our shores from other lands whose hearts are trembling with the newness of their surroundings.

This appeal comes to us in the name of Christ, whose coming made a new era for womanhood and childhood.

Is there one of us who will turn a deaf ear to this appeal, who will refuse to give a hearty response for those for whom it is needed?

I plead with those whose lines are bright, For those who dwell in gloom On whom there breaks no stony rift, Of hope beyond the tomb. I plead with those whose homes are fair, For those whose homes are dim, O guide them in the way of Christ, That they may learn of Him.

SAM EVANS WANTS TO RAISE LAWTELL ROAD

First Ward Police Juror After More Money to Give Finishing Touches to Road

"Uncle Sam" Evans, one of the members of the police jury of the first ward, and the guardian of the Lawtell model road, is after the other members of the police jury, hot and heavy, seeking money enough to raise the Lawtell road, between the Frisco railroad and the McKinney flat.

That portion of the Lawtell Highway which needs repairing was built before the road supervisor decided to have the road raised out of the high-water reach, consequently the water has no respect for the road at that point whatever.

Mr. Evans wants to fix this so as to make the Lawtell road the best in the parish. He and his friends claim that he will be successful in extorting money from his colleagues for this much needed repair work on this most important road.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts Your Liver Without Making You Sick and Can Not Salivate.

Every Druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

WOMAN GIVES BIRTH TO THREE BIG BOYS

Boy Triplets Are Born to Mrs. Oge Hargroder at Port Barre

Mrs. Oge Hargroder, of Port Barre, gave birth to boy triplets during the week, each of the triplets tipping the scale at six and a half pounds each. They are probably the biggest triplets born in this parish for a number of years.

Dr. A. P. Smith, attending physician, is optimistic over the chances for the recovery of the three big boys.

Giving birth to triplets, especially all of one sex, is an unusual occurrence in this country, only a few cases being remembered in this parish.

Mr. and Mrs. Hargroder were at one time residents of this city and are well known here. The father is employed at the stove factory in Port Barre.

Rheumatism Sprains Lumbago Sciatica

Why grin and bear all these ills when Sloan's Liniment kills pain?

"I have used your Liniment and can say it is fine. I have used it for sore throat, strained shoulder, and it acted like a charm."—Allen Dunn, Route 1, Box 88, Pine Valley, Miss.

"I am a painter and paperhanger by trade, consequently up and down ladders. About two years ago my left knee became lame and sore. It pained me at nights at times till I could not rest, and I was contemplating giving up my trade on account of it when I chanced to think of Sloan's Liniment. I had never tried it before, and I am glad to state that less than one 25c. bottle fixed me up apparently as good as ever."—Charles C. Campbell, Florence, Texas.
