ICED TEA BAD FOR KIDNEYS.

Many authorities agree that tea is bad for the kidneys, but it is a recognized fact that the Indians brewed teas from roots and herbs, which when drunk hot were very beneficial. A tea of this kind which is a wonderful medicine is Ge-Rar-Dy Tea, which eliminates the poisons from the blood, liver and kidneys. It is so inexpensive,—only 10 cents a package at Shute's Drug Store and all other druggists,—that most every home has it. The Phil. P. BOWEL COMPLAINTS IN INDIA

In a lecture at one of the Des Moines, Iowa, churches, a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder form of bowel complaint that occur in this country. Obtainable everywhere. adv
