

# JULY CLEARING SALE

STARTING PROMPTLY AT 8 A. M.,

## Monday, July 22, 1918.

An amazing opportunity is offered you at this time of rapidly rising prices when we offer you for 30 days our tremendous stocks of seasonable merchandise at prices in many cases under to-day's cost of manufacture. Our foresight and wholesale buying advantages have through months of preparation filled our two stores with the largest stocks ever carried by any similar establishment in Southern Louisiana. For the same reasons we own this merchandise at costs which do not average more than 75% of those now prevailing, but instead of profiteering we want you to have the benefit. Our benefit will come in increased trade. We urge you earnestly to come early while assortments are complete. If possible come in the morning while clerks are fresh and avoid the afternoon rush.
