"The Home of Better Photoplays."

Our giant Typhoon Fans make The Princess as cool and inviting as the refreshing ozone in the heart of the piney woods.

FOR THE WEEK BEGINNING MONDAY, AUGUST 19.
PROGRAM

MONDAY—William Fox presents Jewel Carmen, in "CONFESSION," five parts. "Here is a play with a real novel plot and a story that has not been done before," says Screen Opinion; and the Motion Picture News says it is a really delightful production. Also, Fox Sunshine Comedy, "A NEIGHBOR'S KEYHOLE"—a laugh in every turn of the crank. Added attraction, Pathe News—news from Over There, where Pershing and our boys are making history. Admission, 5, 10 and 20 cents.

TUESDAY—Metro Pictures present Bert Lytell, in "THE TRAIL TO YESTERDAY," five parts. A thrilling drama of the great West, with a new star that will win your hearts. Also, Bray Pictograph, the magazine of the screen. Admission, 5, 10 and 15 cents.

WEDNESDAY—Thomas H. Ince presents William S. Hart, in "THE TIGER MAN," five parts. An entirely new role for Hart. As "the Tiger Man" of the desert, Bill Hart is seen in his best and most thrilling role since "Wolves of the Rail." Also, Universal News, news that is news. Admission, 10 and 20 cents.

THURSDAY—Vitascope presents Alice Joyce, in "THE SONG OF THE SOUL," a sure triumph for Alice Joyce, says the Moving Picture News. A highly entertaining and decidedly unusual screen drama and a story that has been handled with such skill that the interest rises with each turn of the crank, and lasts until the last flicker. Also, Screen Telegram—news from everywhere. Admission, 5, 10 and 15 cents.

FRIDAY—Albert Smith presents Alice Joyce, in "TO THE HIGHEST BIDDER," five parts. This is the kind of picture that takes moving pictures out of the movie class and gives it its rightful place in the category of art because it tells a real human interest story and is interpreted by players of marked ability. Also, a good comedy. Admission, 5, 10 and 20 cents.

SATURDAY-SUNDAY—William Fox presents William Farnum, in "ROUGH AND READY," seven acts. A delightful drama of the big woods of Alaska, in which William Farnum outdoes his past record. In this picture is the greatest fight ever seen in moving pictures. Don't let anything cause you to miss this wonderful red-blooded American drama, with an all-American in the leading role. Also, Lloyd comedy. Admission, 10 and 25 cents.

since August 1, 1917, is more than 4,250,000.

Against this destruction of shipping the Allies have combined their shipbuilding capacity. The actual number of tons of shipping launched and put into service has not been published. Official announcements have been made in the recent past, however, to the effect that more ships are being built than are being sunk. On July 4, ninety vessels were launched at American shipyards.

Losses in Battle

The year's fighting has entailed great losses for most of the belligerents. During the drive into Italy last October and November the Teutonic armies claimed the capture of more than 180,000 Italians. In the German offensive in France this year about 190,000 French, British, American and Portuguese were reported to have been taken prisoners.

Added to these losses are the casualties in killed and wounded. No definite figures have been reported on what appears to be good authority that in the fighting from March 21 till June 14, the Germans lost more than 500,000 men. The French and British losses were considerably smaller, as the Allies were fighting from entrenched positions.

Financial Aspects

The United States has floated three great Liberty Loans. The proceeds of these loans have aggregated \$10,788,541,900. The total war cost to the United States, according to latest available figures, is \$13,800,000,000. Since the nation entered the war it has extended credits to the allies aggregating \$6,091,590,000.

The total cost of the war to England up to December 15, 1917, was placed at \$242,000,000 pounds sterling, while French votes of credit are somewhat smaller. At latest reports the total of the German war loans approximately \$31,000,000,000.

Internal Disorders

There have been numerous reports of disorders in countries engaged in the war. Riots and bloodshed have been reported in Germany and Austria many times during the past spring and summer and there is little doubt that the Slavic races of Austria are seething with discontent.

Ireland came to the center of the stage in this connection early in May, when a pro-German plot was detected but nipped in the bud with the arrest of seventy-eight leaders of the Sinn Fein.

Recently dissatisfaction was reported against the British in South Africa, but it has apparently been stamped out.

One Monarch Died

During the year one ruler of a belligerent country died. The death of the sultan of Turkey was announced in June, subsequent reports intimating he had been murdered.

Assistance for Russia

Since the collapse of Russia, the Allied nations have sought to find a way to assist the people who are being exploited by the Germans. The French, British and American forces have been landed on the Murman or Kola peninsula, on the north coast. They have not actively intervened, however, being there only to protect Allied property which had been landed at the Port of Kola before Russia withdrew from the Entente Alliance.

In Siberia there is a well-defined anti-Bolshevik movement which has been built up around Czech-Slovak prisoners of war who armed themselves and inflicted defeats on the Bolsheviks. A new government has been set up there under General Horvath, president of the Chinese Eastern railroad. Japanese, British and American marines have been in the city of Vladivostok for months.

Neutrals

Countries which were not engaged in the war have suffered during the 12 months. Switzerland and Holland, being adjacent to Germany, have been threatened by the Central Powers, a number of times in matters relative to economic concessions. Holland, especially, has been beset with difficulties, and at present the Allies are protesting against her exporting supplies to Germany.

Norway has signed an agreement with the United States by which commercial relations may be carried on. Sweden has been dealing openly with Germany and has been threatened with a virtual boycott by Great Britain. Both nations have lost severely through the depredations of German submarines.

Denmark is in a serious plight also and it has been reported that there is great suffering among the people of that country.

New Belligerents

Three new countries have declared war on Germany during the year. They are Costa Rica, Guatemala and Haiti. The Argentine, although near a break because of the machinations of von Luxburg, the German ambassador at Buenos Ayres, has taken no steps in that direction. Mexico has remained neutral.

To Improve Your Digestion

"For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them did I find the right treatment. Since taking them my digestion is fine."—Mrs. Blanche Bowers, Indiana, Pa. adv

EVENTS OF THE GREAT WAR

(Continued from Page Three)

while a great mine field completed in May be the British navy converted virtually the whole North Sea into an area closed against U-boat activities.

The harbors of Zeebrugge and Ostend, from which German submarines had been operated against Entente shipping, were either sealed entirely or made virtually valueless as submarine bases by during naval and air raids by the British in May.

U-Boats in American Waters.
German submarines visited American waters in June and sank at least ten ships, the field of the U-boat operations being from North New Jersey coast to the Virginia capes

and easterly half way to the Bermudas.

The only United States transport lost while carrying troops to Europe was the Tuscania, which was torpedoed off the north coast of Ireland on February 5, with a loss of 312 men.

Hospital Ships Sunk

During the year eleven hospital ships have been sunk by submarines, the latest and most flagrant case of this violation of the Geneva Convention being the destruction of the British steamer Llandovery Castle, carrying Canadian nurses and doctors. This took place on June 27, only twenty-four of the 258 persons on board being rescued. The total shipping reported sunk
