YOUNG men like the trim lines and smartly designed proportions of Born Tailored - to - Measure clothes.

And they like the way a Born Tailored suit holds its style; the way it fits; the way it wears.

Then, too, Born prices are within easy reach of modest incomes; an important consideration these days.

EVER BILIOUS?

Charleston, Miss.—Mrs. R. V. Heins, of this place, says: "I have never had to use very much medicine, because if I felt headache, dizziness, or colds, bad taste in the mouth, which comes from torpid liver, I would take a dose or more of Black-Draught, and it would straighten me out and make me feel as good as new. We have used in our family for years

THEDFORD'S

BLACK-DRAUGHT

and it certainly is the best liver medicine I ever saw. It has not only saved me money, it has helped keep my system in shape, and has never weakened me as so many physics do. I recommend it to my friends and am glad to do so." Black-Draught is the old, reliable liver medicine which you have doubtless heard much about. When you feel badly all over, stomach not right, bad taste in your mouth, bilious, or have a headache, try Thedford's Black-Draught. At all Druggists.
