

Railroad Fare Refunded

Opelousas Merchants Will Pay Customer's Transportation

In order that out-of-town people may feel justified in doing their shopping here the merchants whose names appear at the bottom of this page have agreed to refund full railroad fare to any out-of-town customer within a radius of 50 miles who buys \$50.00 worth or more at any or all stores shown on any trip to Opelousas.

New Orleans has no more complete stock than is shown in these combined stores. No big city store can meet Opelousas prices.

Here is a stock of Fall goods as complete as you will find anywhere at prices cheaper than you can buy elsewhere—and your railroad fare will be paid.

Buy where you like but ask the merchant for refund card.

Get a cash fare receipt from the ticket agent when you buy your ticket.

We pay your railroad fare both ways.

Secretary will Shop for You

Many times people in the Parish want something in a hurry and do not know where to get it. If they will telephone or write to the Secretary of the Chamber of Commerce he will see that their wants are supplied and that the material and price is right

Anything from a spool of thread to a buggy may be bought in this way. Call 405 Opelousas or write the secretary and try it. If the goods and service are not satisfactory the goods may be returned.
