WOODMEN RALLY GREAT SUCCESS

SUNDAY'S GET-TOGETHER OF MEMBERS OF W. O. W. WELL ATTENDED HERE

The big rally of members of the fraternal insurance order, the Woodmen of the World, held here last Sunday, proved to be a very enjoyable affair and was well attended by members of the order from camps all over St. Landry as well as a few camps in adjoining parishes.

Arrangements had been made for the Church Point band and it reached Opelousas promptly. The meeting was held in the Woodmen hall, second floor of the Riseman building, and there was an abundance of refreshments on hand for the visitors who journeyed here for the occasion.

The meeting was called to order by Senator Leon S. Haas, consul commander of Willow camp of this city and recognized as being one of the leading members of the order in the state. After his opening remarks, Senator Haas turned the gravel over to District Manager Hargroder of Church Point, who has had the cam-

paign for new members in charge.

Speeches were delivered by various speakers and the Church Point band rendered splendid music in the intermissions.

When the campaign started the number of new members to be added to the rolls was set at two hundred. The goal was reached and passed early in the campaign for it is stated that about two hundred and eighty were added to the membership rolls of ten several camps in this parish and the two camps in Acadia located at Church Point and Branch. Much credit is due to Mr. Hargroder and the officers and members of the several camps who aided him so materially in the big drive to add to the ranks of Woodcraft in this part of Louisiana.

POULTRY CULLING PROGRAM OF WEEK

MISS LIDA DOWELL, HOME DEMONSTRATION AGENT, AIDED BY SEVERAL EXPERTS

Quite a bit of work has been done along the line of poultry culling in this parish the last two weeks. Miss Wilson, state poultry club agent, has been assisting the parish home demonstration agent, Miss Lida Dowell, in this work.

The poultry department says that the more we cull the more we realize that culling is needed and you should do it. It has been found that practically fifty per cent of the hens in Louisiana do not lay eggs enough to pay for the food they eat. We can not expect to profit by raising such poultry. Why not cull them and keep only those that are profitable?

Dr. Berclier of Opelousas has given a splendid demonstration of what can be done by raising chickens the right way. He states that he has already sold chickens and eggs amounting to \$97 this year. If this can be done in town, then think what could be made on poultry out on a large farm! The state poultry department is working with the parish demonstration agents in an effort to get others to realize the benefits derived from raising only profitable poultry.

The Princess Theatre

"The Home of Better Photoplays"

Program for Week Beginning Sunday Sept. 25

SUNDAY—Elaine Hammerstein, in "THE MIRACLE OF MANHATTAN," a gorgeous production of the bright lights of Broadway, with all its glare and excitement. Beautiful Elaine Hammerstein, the charm girl of the screen, is cast in a most appealing role. Also comedy. Doors open 3:30 P. M. Admission 10, 15 and 25c.

MONDAY—Pretty, dimpled Eileen Percy, in "HICKVILLE TO BROADWAY," an entertaining story of the rise of a pretty little country girl to the heights of success on the stage. Miss Percy, in the early scenes as the country girl and later as the Queen of Jazz on Broadway, will make you "Stop, Look and Listen!" Absolutely the last word in film entertainment. Also serial. Doors open 4:30 P. M. Admission 10, 15, and 25c.

TUESDAY—Former Ziegfeld performance, Justine Johnstone, acknowledged by all as a real beauty, in "SHELTERED DAUGHTERS," a dramatic that tells the story of a young girl who had been brought up by her mother in a most sheltered manner. The affairs of the world had been denied her, and then came a day. Folks, you'll enjoy this picture as you have never enjoyed a picture before. Without doubt one of the most gorgeously dressed films of the year. Also comedy and News. Doors open 4:30 P. M. Admission 10, 15 and 35c.

WEDNESDAY—A Metro screen classic, Bert Lytell, in "A MESSAGE FROM MARS," a highly imaginative melodrama which contains the appeal and thrills of "Tarzan of the Apes," the satire of a DeMille production and the heart interest of "Humoresque." THURSDAY—Will Rogers, in "HONEST HUTCH," the story of a village tramp who had ten thousand dollars in one thousand dollar bills. FRIDAY

The biggest production of recent years, Allen Hollubar's gigantic spectacle, "MAN WOMAN, MARRIAGE," Twelve reels of thrills and splendor, featuring Dorothy Phillips. OPELOUSAS YOUTH CAPTURES MEDAL AT NAVAL STATION

James Francis Voorhies, Aged 19, Wins Honor Medal in Class of 3,500 at Great Lakes, Ill.

Mr. and Mrs. Charles L. Voorhies of this city were very proud this week over the receipt of the news that their son, James Francis, aged slightly over nineteen, had won the "Honor Medal" in a class of thirty-five hundred at the aviation mechanics school of the Great Lakes naval training station. The medal accompanied the letter and the same was exhibited at the Carlon office. Young Voorhies has been in the station but a year and a half and his progress in mechanical training naturally is very pleasing to his parents and other relatives and friends.

The young man showed a strong tendency towards mechanics when he was quite a kid, and Opelousians recall that he often appeared on the streets with one of his ingenious inventions. His natural proficiency has been cultivated in the naval school and the winning of the honor medal indicates that he is making

great strides toward the peak of the profession he has chosen for his life calling.

There are other Voorhies boys in the naval service, each following his natural calling, and it is remarkable that each is making good on the job. Their paternal grandfather was a jurist and author; their father a successful salesman, and here are the boys following other lines of endeavor and making good, just as did their dad and granddad before them. The career of the younger generation of Voorhies will be watched by their home folks and everyone wishes them all success possible to attain.

ACADIA TAXPAYERS TO RAP STATE BOARD

Plan Meeting of Representatives and Citizens of Southwest Louisiana.

Citizens and taxpayers of Crowley and Acadia parish are preparing to open a fight against the imperialistic powers of the state tax commission. Reports from the Rice City indicate that a warm meeting will be held there Saturday afternoon, when it is planned to organize for the purpose of presenting the cause of the oppressed tax payers before the state legislature.

It is planned to issue a call shortly probably for next Saturday, for a meeting of citizens and taxpayers of southwest Louisiana. It is believed that if the taxpayers of Southwest Louisiana would get together some remedy could be suggested whereby the wings of the all powerful state board could be clipped and a little more authority given the parish boards of equalizers.

St. Landry should be well represented at the meeting, when called by the Crowley boosters, as the subject to be discussed to this meeting is destined to be the liveliest issue in many years.
