

WHY WE ADVERTISE

We advertise to establish a reputation for our name. We advertise because advertising is what starts people talking about a Store, and automobile or in fact anything, people like to talk about things that are well known. Ask a man what brand of Shoes he wears and nine times out of ten he will mention Shoes that are well known. Ask a woman what brand of Face Powder she uses and she will not be satisfied unless she can mention a brand in whose quality there is no question.

Advertising is your Protection, it points out the Good of whose quality you need have no fear, Faking or misrepresentation can not stan the light of publicity. LINCOLN Said; "You can fool all the people some time. You can fool some people all the time but you can't fool all the people

all the time.

The minstrel presented here Thursday night for the benefit of Hausman Athletic Park by a troop of amateur performers from Morgan City was quite a success. The performance was very entertaining from beginning to end and a number of the performers acquitted themselves so well that they would have been a credit to professional minstrel organizations. There was a large attendance and the affair netted a goodly sum to both the park and the performers.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.
