## St. MARY POLICE JURY PROCEEDINGS.

### Review of the Deliberations of the Parish Fathers At Their Monthly Meeting, September Sixth.

The September session of the St. Mary Parish Police Jurors was held at Franklin on Wednesday of this week and the Review presents its readers with the following unofficial report of its proceedings:

The Police Jury meeting for September was called to order with Hon. Charles N. Frost presiding and the following members present: T. B. Kimbrough, Gabriel Haydel, Sidney J. Wolford, Arthur Olivier, Oscar Boudreaux, W. N. Gooch, T. Aucoin, Jno. R. Drackett and A. E. Gahn; absent: John A. Pharr.

The minutes of the last meeting with the exception of certain reports and estimates from outstanding committees which were omitted from the reading were read and unanimously adopted.

Dr. Goodwin and Mr. Bernard of Iberia parish appeared before the Police Jury asking that St. Mary parish designate the fair to be held this fall at Iberia as the St. Mary Parish Fair in order that they may obtain the appropriation of \$200 made by the state for the parish of St. Mary in the event of a fair being held in this parish. In response to the petition of the gentlemen from Iberia, Mr. Drackett made a motion, seconded by Mr. Gooch to the effect that the Police Jury authorize the holding of a live stock and agricultural exhibit by the parish of St. Mary, same to be held on the dates of September 28 to October 1, and place of exhibit to be in the city of Iberia and to be held in conjunction with the Teche Fair to be held in that city on the dates named. The motion was carried.

On motion presented and passed a permit was issued to J. W. Polerquez and Sons for half year saloon license, conditional upon the legal requirements being met by the communicators.

Claims of labor and damage to crops ensuing from the building of model roads through the properties of Max Peters and Henry Taylor in the sums of \$35.00 each were referred to the Engineer Loustalot for approval and subsequent payment after routine consideration by the Jury.

A communication from Walter Y. Kemper was read relative to a permit to rebuild their bridge on the Teche. On motion made and seconded the jury voted to authorize the reconstruction of the draw-bridge by the Oak Bluff Planting and Manufacturing Company across the Bayou Teche at or near its present site on the Oak Bluff plantation about four miles above the town of Franklin on the following conditions: the bridge to be so constructed as not to interfere with navigation; the draw span to be not less than 69 feet clear measure at right angles to the stream; bridge and approaches to be in accordance with plans to be approved by the secretary of war.

The issuance of a warrant for \$300, comprising the funds remaining was authorized in favor of the S. W. P. & T. Co., covering claims presented as due to that company.

A communication to Mr. W. C. Baker and one to the Police Jury relative to the payment of warrants to C. W. Clements, constable of the 6th ward, resulted in motion being passed that warrants for months of July and August and subsequent warrants be not issued until satisfactory evidence of the proper performance of duties had been submitted and accepted.

The report from Mr. E. S. Soucier, demonstration agent, was received and filed.

The secretary of the Jury was instructed to issue warrant covering charges by Robert Maitland for conveyance of persons from Morgan City to Franklin.

A motion was passed instructing the awarding of scholarships to the Louisiana Industrial Institute to Miss Odys Carlson of Patterson, as

### ENJOYABLE EVENING AT EVANGELINE

The benefit of the Helena Circle at the Evangeline last night was delightful and well attended. Besides "The Seekers" on the screen, the "clou" of the evening was the vocal part of the entertainment. Misses Ollie Hebert and Genevieve Grevenberg sang exquisitely, rhythmically and with musical pathos a duet "Aloha-Oa" (Farewell to Thee) and Mr. Chas. Delas sang with much feeling a song of the past, "When I Was a Dreamer" and Raoul Delas sang in his popular style a song of the future, "When I Leave the World Behind." All four well merited the lavish applause with which they were greeted.

### MRS. AUGUST GOULAN DEAD

Mrs. August Goulan, wife of August Goulan who is well known as a tinner in this city, died at her home on Fifth Street near Railroad Avenue last night. Mr. Goulan and several small children survive Mrs. Goulan and the sympathy of their friends and acquaintances is extended to them in their bereavement.
