

THE Morgan City Daily Review

MORGAN CITY, LA., SEPTEMBER 13, 1916

No. 32

Vol. 2

ROADS ADVANTAGES SUMMARIZED.

Some of the advantages that good roads bring may be summarized as follows: Good roads decrease the cost of hauling everything; good roads save the road tax; good roads allow a wider choice of time for marketing farm products and for purchasing supplies, so as to get the best prices; good roads building furnish a useful and profitable market for large quantities of material that otherwise would be without value; good roads protect teams and increase the vehicle carrying capacity; good roads allow greater production with a given number of men and teams; good roads increase the area which may be devoted to raising high-priced commodities; good roads permit and encourage diversification of crops; good roads tend to equalize business on railroads and in the

towns and thus keeps market prices more stable and business conditions more uniform; good roads assist cooperative buying and selling; good roads permit the use of better stock and better vehicles; good roads increase the value of land everywhere; good roads invite tourists travel in all parts of the country; good roads invite more people and more investments in every line of development; good roads tend to increase the rural population; good roads conserve the farmers' energy, both mental and physical and gives him greater initiative to conceive and execute plans for development; good roads make possible the rural mail delivery; good roads promote good schools in the country and make the town schools more accessible to the children in the country; good roads make for better churches and better morals; good roads improve social conditions in the country; good roads promote better living conditions in the country; good roads make possible the work of the social centers and other similar

movements; good roads tend to unify our population by taking the town people to the country and taking the country people to the towns; good roads make for a broader outlook and a better citizenship in every phase of life."

The Bank of Morgan City

FIRST ON THE ROLL OF HONOR

Has larger deposits, surplus and resources in proportion to capital than any Bank in the Parish of St. Mary.

It is your duty to protect your valuable papers; we ask you to call at this Bank and we will be pleased to show you our safety deposit boxes.

The deed to your property, or a life insurance policy, jewelry not in use and tax receipts are worthy of a safe deposit box; these boxes are in a steel vault and can only be opened with the key that we give you. We rent you these boxes for \$3.00 per year.

Capital \$25,000.00 Surplus \$52,000.00

Resources \$360,000.00
