**OCTOBER THE TENTH TO BE BIG DAY.**

The Style Show movement is gaining ground among the merchants of Morgan City and on the tenth of October the citizens of this city and surrounding territory will be treated to an unusual and interesting event. The Fall Opening Day and Style show will give everyone a comprehensive insight into the modes and fashions to predominate in dress and dress accessories for men, women and children. Hatters, milliners, haberdashers, ready-to-wear stores, shoe stores, tailors, clothiers, grocers, jewelers, hardware merchants, etc., will all join in the display of things that are new and timely and that the new season at hand has brought forth in their particular lines.

The merchants of Morgan City are but meeting a popular demand when they hold for their patrons a community Style Day. The movement is general throughout the business communities of the entire United States and much good has resulted from the experiment, both to the merchants and for the patrons. Fashion followers and style devotees are becoming as numerous as the sands on the sea shore and every person, regardless of his income or station in life will find that the style changes are of vital interest and statistics show that those who take the keener interest in the styles as they are presented are the persons who take keener interest in every other undertaking.

This fall season is bringing us a wider variety of styles in all wearables and household necessities than ever before. The complete array in all its harmony of colors and designs will be shown on October 10.

Sold by Belanger Drug Co.

**SPECIAL AT THE EVANGELINE FRIDAY**

In addition to the "Phantom," the big Triangle picture featuring Frank Markham and Enid Markly to be shown at the Evangeline Friday night of this week, hustling Manager Loeb has secured a special attraction in "The Parlor Boys," a high class vaudeville act introducing the latest up-to-date nonsense, singing and clog dancing. The Parlor Boys are well recommended as a bunch of entertainers and their act sparkles with fun and interest. The prices covering this exceptional vaudeville and photoplay double bill will be 10c and 15c.

The pictureplay "The Phantom" is in itself worth more than the price of admission. It is based on the operations of a gentleman crook, who, through his elusiveness and cunning maneuvers gains the sobriquet of the Phantom. The complications are rather original.

A record breaking crowd should greet the big double-bill at the Evangeline on the night of the 15th.

The Morgan City Daily Review, 40 cents per month.

Located in Berwick, is one of the leading mercantile businesses of St. Mary Parish. For more than a decade the Berwick Mercantile Co., has been in existence and they today present a front to the buying public that reflects the success of their business and the foresight and acumen of characterizing the gentlemen who have brought it to its large proportions. For the past fourteen months this big Berwick establishment has been under the management of Mr. J. D. Ehrlich who has been connected with the business for twelve years. The orderly, departmentized display of a broad variety of merchandise and supplies indicates that it is in the hands of a man of large capabilities and of modern ideas of merchandising.

The lower floor of the main sales building of the Berwick Mercantile Company is given over to those lines of every-day use and the display brings instantly before the shopper a splendid view of all the staple and fancy necessities that every household demands. Groceries, glassware, dry goods and hardware are brightly and enticingly spread in tiers and sections, each separate and complete. The upper floor of the main building is given over to furniture, bedding, leather goods and ship chandlery supplies, etc. A large warehouse directly across the street from the main building shows piping, iron and steel supplies, great bales of rope and feedstuffs, etc.

In addition to the general merchandise lines, Mr. Ehrlich has recently added gasoline, tires and auto accessories and he has a convenient station for autoists on a graveled street which is on the end of the model road running westward across the State of Louisiana.
