Will My Funds Be Safe?

That's the very first question that enters your mind when you consider depositing your money in a bank or making an investment.

It is a very reasonable and logical question. Money is hard to earn, and still harder to save. You have a right to DEMAND safety.

Ducks Went Over City Last Night

That somebody has heard ducks making their way to this coast is a story told this morning which bears evidence, that winter is in sight somewhere at least. To the sounds of whirring wings, rushing swiftly barely discernable flocks of ducks are thought to have passed over the city Wednesday evening. The stillness would be broken by a faint rustling sound that would grow in intensity to a vibrant ara covering whirr, and then quickly die away. Up along the middle Atlantic coast these signs usually indicate evidence of a cold wave.

Miss Henrietta Greenwald has gone to New Orleans to attend the Sophia School.

Miss Egenia Thornton of McDonoughville, La. is visiting here sister Mrs. C. E. Jolley.

Harry Davis, Manager of Advance care No. 1 of the Barnes Circus, with a large crew of men aboard the car arrived in here this morning and proceeded to bill the city and parish, for the big show coming here on October 10th.

Jewish Holiday

In observance of the Jewish Holiday "Rosa Honah" every Jewish mercantile establishment was closed throughout the day until six o'clock this evening, and likewise will be closed Saturday, October 7th. "Yum Kippur." Services were held Friday evening and this morning at the Synagogue. Mr. Leopold Loeb officiating. Masters Roussel Norman and Carlee Kahn composed the confirmation classes at the services this morning. Mrs. Moore and Mrs. Bass assisted in the choir, also Miss Flora Weil of New Orleans.

Wonderful Cattle

Considerable interest was manifested Wednesday evening when a drove of blooded stock passed through the city being taken over to Avoca Island. It was easily discernable, that the stock were of a pedigreed class, and as a result the interest was keen.
