REVIEW CONTEST CREATING WIDESPREAD INTEREST

Nominations Coming In Rapidly—It's Up to You to Send In the Name of the Winner.

The announcement of the big popular voting contest to be conducted by The Morgan City Daily and Weekly Review is creating widespread interest and comment. It promises to be one of the most interesting events ever pulled off in St. Mary Parish, and it is probably the largest contest of the kind ever offered in this Parish.

The rules and regulations of the big Voting Contest are stated in detail in the Contest Advertisement which appears elsewhere in this issue. Every Review reader is urged to read the contest plan carefully and to contribute to its success by writing down on the Nomination Blank in the advertisement the name of any person who you want to win one of the handsome prizes to be given away. It does not cost one cent to nominate someone to take part in the contest and it may be that the person you choose to run will be the one to win the car, which will be given to the highest contestant in the race.

If you have a telephone and want to call up the Review you may do so and the Review will record the name and credit it with 5000 votes as a starter in the big race. These big prizes are going to be won by several lucky people—why can't you be one of them? The Review states positively that every contestant who makes the slightest effort in the race will receive either a prize, a cash commission or both prize and cash commission. In fact, every contestant who, by her or his own efforts, earns votes on the contest will receive a reward.

It is not long until the contest opens. October 10th is the date. So don't put off nominating yourself or someone else to take a part in this big contest. Telephone or fill in the Nomination Blank which you will find in this announcement and mail at once. Every reader of the Review is expected to nominate a contestant. Any person living in St. Mary Parish is eligible as a contestant.

Junior Missionary League

The Junior Missionary League was entertained by Miss Dorethy Dreher. The regular meeting was held at the home of Dr. and Mrs. E. T. Dreher on yesterday afternoon. This little league is a branch of the adult Missionary Society and like their adult guide are learning early that "there is a duty which forbids us to live with in our selves, for it is not what we receive but what we give that broadens and ennobles our growth." The present occupation of these tots is making scrap-books for the leper children of one of these near-by homes. These little unfortunates will find untold pleasure in the books, a pleasure to be measured only by that afforded the little Morgan City. "Happiness Makers"—who shine on the gloom of other with their cheer. After the business part of the program was finished Mrs. Dreher served the Junior League with refreshments.

AL. G. BARNES CIRCUS COMING

A splink, splanking new show, a new program—not so new, however, but what the time-honored features which have made the circus America's most popular form of amusement, are retained, are the promises held forth for the circus that is to visit Morgan City on Tuesday, Oct. 10th, the world's greatest wild animal show—the Al. G. Barnes' big four-ring wild animal circus. In saying "new" show, it isn't inferred that the Barnes' show is new to the people of Morgan City for it has visited here before and is strictly in keeping with the truth to say that its performances always give genuine and wholesome satisfaction. Acts that thrill, acts that amaze, others that instruct and those that create laughter—all of them entirely new and of an original character are promised to those who witness this season's performance. The score of the feats performed by the animals has been profusely broadened for this year's tour. Grown people will find in the thrilling spectacular acts a satiating array of entertainment, while the kiddies will have bushels of fun watching the antics of the half hundred animal clowns. The comicality of these laugh creators is also guaranteed to be juvenescent to all grandpas and grandmas present. Special attention is directed this year to the big wild animal features in which the largest group of lions, tigers and bears ever shown are performed. Educated Royal Bender tigers, thirty acrobatic and comedy bears, the horse-riding lions, bears, leopards and hyenas will certainly gratify anyone's appetite for the sensational. Acts of a quieter character, but none the less interesting, in which domestic animals are the star actors, are generously interspersed throughout the program. There's a massive ensemble in which a hundred beautiful and highly educated ponies take part. The world's champion dancing horses—sixteen in number are shown in one of the greatest circus features of all times. Trapeze performing monkeys, tight and slack rope-walking dogs, monkeys, goats and pigs, and raging ostriches, combine giving some of the most delightful circus entertainment ever witnessed.

The King's Daughter will resume their monthly meetings with the approaching meeting to be held at the home of Mrs. Boyle, when she and her daughters, Mrs. Clements and Thorguson, will be hostesses on the third Thursday of this month.

A swell 9-piece Oak Dining Room Set is a prize that any one would like to have; yet it is third in value in the list of prizes to be given away in The Review Popular Voting Contest. Send in your name as a contestant or the name of the one you want to win. Use the Nomination Blank to be found in this paper.

Mrs. Lavillebeuve, who has been the guest of Mrs. J. M. Dyer, left for her home yesterday. She was accompanied by Mrs. R. Natilli who will be the guest of Dr. and Mrs. Chazinac of New Orleans.

Our methods are imitated but merit wins. Our customers are the "back for more kind." Will you join them? Dyer-Lehman Co. Ltd.

The book club meeting has been postponed from Tuesday the tenth to Wednesday the eleventh on which day Mrs. Dreher will be hostess. The meeting hour has been changed from 3:30 p. m. to 3 p. m.
